Abstract. Marine mammal conservation remains a hot-button international environmental problem, but progress toward addressing key conservation and management issues within existing governance structures—most notably the International Whaling Commission—has stalled. The author offers a fresh look at the future of international marine mammal management in a way that advances the ongoing dialogue surrounding UNCLOS implementation and effective living marine resource management, while ...

About Our Efforts. The Marine Mammal Foundation makes science accessible to the broader community and key stakeholders, enabling long-term protection and conservation of marine mammals and their environment. Connection to the environment, via appreciation of our amazing marine mammals, creates concern, concern creates care, and care creates change! Our applied research can inform government, stakeholders and the community to create a balanced and transparent conservation effort.

Conservation - Marine Mammal Foundation | MMF

The Tidal Thames is home to a number of easily recognisable and charismatic marine mammals, including harbour seals, grey seals, harbour porpoises and the occasional bottlenose dolphins. These species are important top predators in a complex estuarine environment and can be found throughout the estuary and river, including in central London.

Marine Mammal Research: Conservation Beyond Crisis ...

The Marine Mammal Protection Act of 1972 (MMPA) was passed on October 21, 1972 under president Richard Nixon to prevent the further depletion and possible extinction of marine mammal stocks. [123] : 5 It prohibits the taking ("the act of hunting, killing, capture, and/or harassment of any marine mammal; or, the attempt at such") of any marine mammal without a permit issued by the Secretary.

Marine mammal - Wikipedia

The Marine Conservation Society is the UK’s leading marine charity. We work to ensure our seas are healthy, pollution free and protected. Our seas are under immense pressure: too many fish are being taken out, too much rubbish is being thrown in and too little is being done to protect our precious wildlife.
