**A Woman Rides the Beast** *Harvest House Publishers*

Are you missing half the story about the

last days? Virtually all attention these days is focused on the coming Antichrist—but he is only half the story. Many people are amazed to discover in Revelation 17 that there is also another mysterious character at the heart of prophecy—a woman who rides the beast. Who is this woman? Tradition says she is connected with the church of Rome. But isn't such a view outdated? After all, today's Vatican is eager to join hands with Protestants worldwide. "The Catholic church has changed" is what we hear. Or has it? In *A Woman Rides the Beast*, prophecy expert Dave Hunt sifts through biblical truth and global events to present a well-defined portrait of the woman and her powerful place in the Antichrist's future empire. Eight remarkable clues in Revelation 17 and 18 prove the woman's identity beyond any reasonable doubt. A provocative account of what the Bible tells us is to come.

### **Who Rides the Beast?**

#### **Prophetic Rivalry and the Rhetoric of Crisis in the Churches of the Apocalypse** *Oxford University Press*

The Book of Revelation presents the reader with a frightening narrative world in which the people of God are tormented, threatened, and sometimes killed by various agents of Satan. Scholars have traditionally thought that it was written in order to encourage believers to stand fast in the face of the Roman persecution of the early Church. More recently, however, it has been argued that no such crisis existed at the time the book was written. Here Paul Duff offers a different viewpoint on the origin of the Book of Revelation, resulting in a work which substantially advances the implication of the current

consensus and sheds new light on this influential yet enigmatic text.

#### **Revelation** *Canongate Books*

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

### **The Apocalypse Code**

#### **Find Out What the Bible REALLY Says About the End Times... and Why It Matters Today** *Thomas Nelson*

Hank Hanegraaff reveals the code to Revelation. Breaking the code of the book of Revelation has become an international obsession. The result, according to Hank Hanegraaff, has been rampant misreading of Scripture, bad theology, and even bad politics and foreign policy. Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty-five books of the Bible — not current events or recent history and certainly not any complicated charts. The *Apocalypse Code* offers sane answers to some very controversial questions: What does it mean to take the book of Revelation (and the rest of the Bible) literally? Who are the "Antichrist" and the "Great Whore of Babylon," and what is the real meaning of "666"? How does our view of the end times change the way we think about the crisis in the Middle East? Are two-thirds of all Jews really headed for an apocalyptic holocaust? The *Apocalypse Code* is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world.

"Provocative and passionate, this fascinating book is a must-read for everyone who's interested in end-times controversies." — Lee Strobel, Author, *The Case for the Real Jesus* "This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts such as Tim LaHaye. Every fan of the *Left Behind* series should read this book. The fog will clear, and common sense will return to our reading of the Bible." — Gary M. Burge, Professor of New Testament, Wheaton College and Graduate School

#### **How a Babylonian Goddess Became the Virgin Mary** *Chick Publications*

This is a history of goddess-worship. Written like a graphic novel, this well-researched book shows how goddess worship "morphed" through the centuries until it climaxed in its present most common form: the worship of the Virgin Mary. In different cultures, the names were different, but the goddess was the same. She was the Queen of Heaven, the mother of the god. She became the Mediatrix through whom all must go to reach their god. Author David Daniels is a stickler for research, so no one will be surprised to find a 30-page section of End Notes, as well as

annotated bibliography. You can check out his facts for yourself! It's a heavy subject, but the illustrations by Jack T Chick help to make the story flow, and a lot easier for the casual reader to understand.

Of the many trouble spots in the world today, none rivals Jerusalem for ultimate significance. Today's world has its eyes on Jerusalem, believing that the next world war will break out over this city. Jerusalem is indeed a "cup of trembling" and will continue to be so in spite of false peace initiatives.

### **The Roman Catholic Church and the Last Days** *Lennex*

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "A Woman Rides the Beast: The Roman Catholic Church and the Last Days." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

### **Whatever Happened to Heaven?**

"There shall come in the last days scoffers, walking after their own [desires]. . . saying, Where is the promise of his coming? for since the fathers fell asleep, all things continue as they were from the beginning of the creation." --2 Peter 3:3-4 More than two decades after the original printing of this book, Dave Hunt's insights are clearer than ever. During the 1970s when The Late Great Planet Earth was outselling everything, the Rapture was the hot topic. Pastors preached about heaven, and Christians eagerly anticipated being taken up at any moment to meet their Lord in the air. When Christ didn't return, and the 40 years since the establishment of a new Israel in 1948 expired without the fulfillment of prophesied events, disillusionment began to set in. Today, a growing number of Christians are exchanging the hope of the Rapture for a "new" hope--that Christians can clean up society and elect their own candidates to political office to make this world a "heaven on

earth." Bestselling author Dave Hunt probes the question "Whatever happened to heaven?" thoroughly and provides an easily understandable explanation of all the many issues and beliefs. Hunt shows us that heaven is really our home and brings fascinating new clarity to why we lost that hope and how it can be regained.

### **What Love Is This?**

### **Calvinism's Misrepresentation of God**

Many sincere, Bible-believing Christians are Calvinists only by default. Thinking that the only choice is between Calvinism (with its presumed doctrine of eternal security) and Arminianism (with its teaching that salvation can be lost), and confident of Christ's promise to keep eternally those who believe in Him, they therefore consider themselves to be

Calvinists. It takes only a few simple questions to discover that most Christians are largely unaware of what John Calvin and his early followers of the sixteenth and seventeenth centuries actually believed and practiced. Nor do they fully understand what most of today's leading Calvinists believe. Although there are disputed variations of the Calvinist doctrine, among its chief proponents (whom we quote extensively in context) there is general agreement on certain core beliefs. Many evangelicals who think they are Calvinists will be surprised to learn of Calvin's belief in salvation through infant baptism and of his grossly un-Christian behavior, at times, as the "Protestant Pope" of Geneva, Switzerland. Most shocking of all, however, is Calvinism's misrepresentation of God, who "is love." It is our prayer that this volume will enable readers to examine more carefully the vital issues involved and to follow God's holy Word--not man's teachings. "The first edition of this book was greeted by fervent opposition and criticism from Calvinists. In this enlarged and revised edition I have endeavored to respond to the critics." --Dave Hunt

### **The Coming Prince**

#### **The Marvelous Prophecy of Daniel's Seventy Weeks Concerning the Antichrist** *Cosimo, Inc.*

He was one of the most popular lay preachers and Christian apologists of his day: Sir Robert Anderson devoutly believed that the Bible was the inerrant word of God, and in this popular 1881 book-a companion to his *Daniel in the Critics' Den*-he mounts a defense of the prophetic Old Testament Book of Daniel, an early example of apocalyptic philosophy in Christianity. Students of

the Bible will appreciate this historically valuable attempt to set straight the many controversies surrounding Daniel regarding its authorship and even the date of its writing. And anyone interested in the apocalyptic fervor of modern-day fundamentalist Christianity will find this an instructive and enlightening read. While at Scotland Yard, Irish police official and religious scholar SIR ROBERT ANDERSON (1841-1918) helped investigate the Jack the Ripper murders, but he is best remembered for his works of Bible study, including *Forgotten Truths* and *The Silence of God*.

### **Mystery Babylon**

#### **Unlocking the Bible's Greatest Prophetic Mystery** *WND Books*

New York Times bestselling author Joel Richardson carefully explores what is arguably the greatest prophetic mystery in all of the Bible. *Mystery Babylon* is an in-depth look at the prophecy of Revelation 17 and 18. Richardson dissects the longest prophecy in the New Testament the final chapters of the Bible in order to make sense of these deeply elusive and profoundly controversial passages. In his characteristically easy-to-understand style, Richardson works through the history of Christian interpretation of *Mystery Babylon*, weighing the strengths and weaknesses of each view, making a powerful case for a solution to this prophecy that will rock the prophecy world. Divided into three parts *Mystery Babylon* Richardson exposit Scripture in part 1, examines the more common positions in part 2, and invites the reader to a powerful conclusion in part 3. "

### **The Late Great Planet Earth**

*Zondervan*

The impact of *The Late Great Planet Earth* cannot be overstated. The New York Times called it the "no. 1 non-fiction bestseller of the decade." For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.

**The Scarlet Woman****An Exposition and Explanation of Revelation 17** *Createspace Independent Publishing Platform*

This book will take you on a remarkable journey of discovery into the identity of the Scarlet Woman who rides on the back of the scarlet beast which has seven heads and ten horns in Revelation 17. This mysterious vision is an important part of the Unveiling of the person of Christ to the Church in the last days. This is certainly one of the most neglected and misunderstood chapters on Bible prophecy within the Church today. In this book we will investigate the history, the present condition, and the future destiny of Mystery Babylon. For most this book will be revolutionary, shocking, groundbreaking, enlightening, inspiring, engrossing and challenging. I cannot emphasise strongly enough just how vital this book will be for all preachers and for the spiritual health

and purity of all local churches. This is a prophetic warning from Christ through the written scriptures, as well as a highly practical guide, for the Bride of Christ in the 21st century in order to walk free from the deception of this spiritual and idolatrous harlot.

### **Petrus Romanus**

#### **The Final Pope is Here** *Defender Pub Llc*

For more than 800 years scholars have pointed to the dark augury having to do with "the last Pope." The prophecy, taken from St. Malachy's "Prophecy of the Popes," is among a list of verses predicting each of the Roman Catholic popes from Pope Celestine II to the final pope, "Peter the Roman," whose reign would end in the destruction of Rome. First published in 1595, the prophecies were attributed to St. Malachy by a Benedictine historian named Arnold de Wyon, who recorded them in his book, *Lignum Vitæ*. Tradition holds that Malachy had been called to Rome by Pope Innocent II, and while there, he experienced the vision of the future popes, including the last one, which he wrote down in a series of cryptic phrases. According to the prophecy, the next pope (following Benedict XVI) is to be the final pontiff, Petrus Romanus or Peter the Roman. The idea by some Catholics that the next pope on St. Malachy's list heralds the beginning of "great apostasy" followed by "great tribulation" sets the stage for the imminent unfolding of apocalyptic events, something many non-Catholics would agree with. This would give rise to a false prophet, who according to the book of Revelation leads the world's religious communities into embracing a political leader known as Antichrist. In recent history, several Catholic priests—some deceased now—have been surprisingly outspoken on what they have seen as this inevitable danger rising from within the ranks of Catholicism as a result of secret satanic

"Illuminati-Masonic" influences. These priests claim secret knowledge of an multinational power elite and occult hierarchy operating behind supranatural and global political machinations. Among this secret society are sinister false Catholic infiltrators who understand that, as the Roman Catholic Church represents one-sixth of the world's population and over half of all Christians, it is indispensable for controlling future global elements in matters of church and state and the fulfillment of a diabolical plan they call "Alta Vendetta," which is set to assume control of the papacy and to help the False Prophet deceive the world's faithful (including Catholics) into worshipping Antichrist. As stated by Dr. Michael Lake on the front cover, Catholic and evangelical scholars have dreaded this moment for centuries. Unfortunately, as readers will learn, time for avoiding Peter the Roman just ran out.

With the possession of this place comes the mighty responsibility of making the work of the institution educational in character. The school that is to be established at Loma Linda is to stand in the freedom of the truth." "Shall we represent before the world that our physicians must follow the pattern of the world, before they can be qualified to be successful physicians? This is the question that is now testing the faith of some of our brethren. Let not any of our brethren displease the Lord by advocating in their assemblies the idea that we need to obtain from unbelievers a higher education that that specified by the Lord."
