Professionalism And The Public Interest

Public Relations, Professionalism, and the Public Interest Thomas H. Bivins ABSTRACT. The public interest statement contained in the PRSA Code of Professional Standards is unduly vague and provides neither a working definition of "public interest" nor any guidance for the performance of what most professions consider to be a primary value.

Public Relations, Professionalism, and the Public Interest

Professionalism and the Public Interest provides a case study of one such profession—optometry and vision care—as a means of arriving at some valid general conclusions about professional practices, especially (but not exclusively) those in the medical field.

Professionalism and the Public Interest - DDO Health Law

In the end, the author comes down cautiously on the side of competition, and suggests that professional restrictions on a commercialism are probably not in the public interest. In spite of a few methodological flaws, this study presents a well-thought-out contribution to the debate on the role of professions in the medical marketplace.

b) Describe and critically evaluate the social responsibility of accountants acting in the public interest. c) Assess management behaviour against the codes of ethics relevant to accounting professionals including the IESBA (IFAC) or professional body codes.

Professionalism, Ethics And The Public Interest - aCOWtancy

Accountancy normally purports to be a profession with a commitment to the public interest. Any developments in accountability are in the public interest and will therefore involve accountants. Where existing or previous accounting systems have developed errors (e.g. off balance sheet financing) then accountants will have the skill and knowledge to understand those errors and develop revised systems to overcome them.

Professional and corporate ethics

The accounting profession is the clearest and most important case of a profession whose role is paramount for the economic function; whose commitment to the public interest is an explicit

responsibility; and whose “professionalism” is embedded and articulated in a comprehensive and globally accepted Code of Ethics.
