Mao A Life Philip Short

Mao: A Life is that rare exception. Philip Short has written a balanced, thorough (to a fault, some have said) and very well written. He gives Mao his due as a military strategist, but pulls no punches when addressing such disastrous policies as the Great Leap and the Cultural Revolution. Yes, it is long, but it is far from a slog.

Mao: A Life by Philip Short

Philip Short draws a realistic picture of Mao Zedong; he strips away much mystery surrounding Mao and leaves a simple austere portrait of a complex man. Today, Mao tends to be either lionized or demonized but Short avoids sensationalism and sticks to presenting us with information, insights, and informed opinion.

Nonfiction Book Review: Mao: A Life by Philip Short ...

Philip Short responds to a review of his book 'Mao: A Life', reviewed by Philip Richardson, from History in Focus, the guide to historical resources from the Institute of Historical Research (IHR), University of London

Philip Short responds to a review of his book 'Mao: A Life'

For Philip Short, Mao's life was 'played out on an altogether vaster canvas' than that of the other world leaders. As 'unquestioned leader of almost a quarter of mankind' he 'wielded powers equalled only by the most awesome of Chinese emperors' and did so 'in an era when China's history was so compressed that changes which, in the West, had taken centuries to accomplish, occurred in a single generation.'
