General Studies Manual, Paper 1 - 2021

are you kidding? the tmh manual contains many unneeded

material specially on physics and biology. the manual has mostly factual data and very less analysis. it is also not very precise and will not be able to take you to success in prelims. the use of tmh

is as a additional source of facts which are not present in other books. tmh has an advantage that it gives you a feel of what you need to study.
