It is from when I was a sophomore in high school, when much was beginning

to change in the Cold War. This is one year before the collapse of the USSR and Glasnost was a buzz word. This comic is an allegory of old VS new, die-hard soviets/Marxists VS Americans in the waning years of the Cold War. Dosynski stands in for the old guard Soviets who, understandably so, were not happy with the perceived caving in of the Soviet government.

Cold War — History Comics and comics in education

These comic books, like much media, had become fact to people today by which to judge women of the past. I found that this oversimplification silenced the realities of women's lives during the Cold War and the political and social role of romance comic books during this moment in history. In the 1940s, comic books took over America.
