On average, getting an architect to draw up your proposed design can cost between £600 - 3000. At Resi, our packages start from £720 and include planning support. Learn more here. What affects the price of drawings? Whether going for existing drawings or proposed design, prices can vary significantly. This can be due to...

How much does it cost to have house plans drawn up?

The target market is mostly mechanical engineers and product design, but it's got a lot of functionality and power that anyone would find attractive. Like many open-source products, it has a loyal base of developers and can compete with some of the commercial heavy hitters because of its ability to create real 3D solids, support for meshes, 2D drafting and lots of other features.
