I Need Your Love - Is That True?

How to find all the love, approval and appreciation you ever wanted

Random House

Byron Katie's extremely simple programme called The Work was explored in her previous, hugely popular,

book, *Loving What Is*. In it she explained how easy it is to be confused by the mental gymnastics we all play in our minds, and how looking closely at our thoughts - and whether they are true - can bring us a life of integrity and happiness. Her second book questions everything we have been taught to think and do to find love and approval and shows how to make the transition to an effective, non-manipulative way of connecting with others. When you live your life focused on thoughts such as 'I need a man' or 'She doesn't care about me' you live in fear and end up lonely, stressed, heartbroken and depressed. However, when you start to explore The Work, you can begin to enquire into many of the unquestioned beliefs you have lived by, and can begin to change.

Through 'I Need Your Love - Is It True?' readers can explore what happens in their mind when they believe they need love, appreciation and approval. When they realise the truth of what's really going on inside them there is no doubt they can find real love and mutual understanding, especially with the help of Byron Katie's wisdom and compassion.

I Need You To Hate Me

A passionate and enthralling college romance. Two damaged souls on a path to obliteration. When they collide, will they heal each other, or are they damaged beyond repair? What's worse than losing someone you love? Blaming yourself for their death. Two years after a devastating accident, Calla is still full

of guilt. But beyond the blame, other demons are prowling. Post-traumatic stress disorder. Poor grades. Insomnia. Estrangement. Calla is hopeful for a fresh start. A new beginning. She's in for an inscrutable surprise when her path collides with Ace's. Ace is an asshole- there's no denying that. He's rude, arrogant, and impulsive. A magnetic force comes out to play, hurling Calla into Ace at full speed without brakes to decelerate. And there's no fighting fate, no matter how cruel or unfair it seems. Soon, Calla is addicted. Addicted to Ace- addicted to the elation he makes her feel. And she realizes that perhaps, they aren't so different after all. However, secrets are deeply entrenched and woven through their souls. When they finally unveil, will Calla be able to look

past them, or will everything shatter beneath her?

A Thousand Names for Joy

Living in Harmony with the Way Things Are *Harmony*

In her first two books, Byron Katie showed how suffering can be ended by questioning the stressful thoughts that create it, through a process of self-inquiry she calls The Work. Now, in *A Thousand Names for Joy*, she encourages us to discover the freedom that lives on the other side of inquiry. Stephen Mitchell—the renowned translator of the Tao Te Ching—selected provocative excerpts from that ancient text as a stimulus for Katie to talk about the most essential issues that face us all: life and

death, good and evil, love, work, and fulfillment. The result is a book that allows the timeless insights of the Tao Te Ching to resonate anew for us today, while offering a vivid and illuminating glimpse into the life of someone who for twenty years—ever since she “woke up to reality” one morning in 1986—has been living what Lao-tzu wrote more than 2,500 years ago. Katie’s profound, lighthearted wisdom is not theoretical; it is absolutely authentic. That is what makes this book so compelling. It’s a portrait of a woman who is imperturbably joyous, whether she is dancing with her infant granddaughter or finds that her house has been emptied out by burglars, whether she stands before a man about to kill her or embarks on the adventure of walking to

the kitchen, whether she learns that she is going blind, flunks a “How Good a Lover Are You?” test, or is diagnosed with cancer. With her stories of total ease in all circumstances, Katie does more than describe the awakened mind; she lets you see it, feel it, in action. And she shows you how that mind is yours as well.

I Need You More Than I Love You and I Love You to Bits *Front Street Incorporated*

Morris and Betty, two teens living in Stockholm, Sweden, meet and fall in love but the darkness within each of them at times makes it hard to maintain their love affair, especially after Betty compares Morris's behavior to that of his bipolar father.

I Want You to Be

On the God of Love *University of Notre Dame Press*

In his two previous books translated into English, *Patience with God* and *Night of the Confessor*, best-selling Czech author and theologian Tomáš Halík focused on the relationship between faith and hope. Now, in *I Want You to Be*, Halík examines the connection between faith and love, meditating on a statement attributed to St. Augustine—*amo, volo ut sis*, “I love you: I want you to be”—and its importance for contemporary Christian practice. Halík suggests that because God is not an object, love for him must be expressed through love of human beings. He calls for Christians to avoid isolating themselves from secular

modernity and recommends instead that they embrace an active and loving engagement with nonbelievers through acts of servitude. At the same time, Halík critiques the drive for mere material success and suggests that love must become more than a private virtue in contemporary society. *I Want You to Be* considers the future of Western society, with its strong division between Christian and secular traditions, and recommends that Christians think of themselves as partners with nonbelievers. Halík's distinctive style is to present profound insights on religious themes in an accessible way to a lay audience. As in previous books, this volume links spiritual and theological/philosophical topics with a tentative diagnosis of our times. This is

theology written on one's knees; Halík is as much a spiritual writer as a theologian. *I Want You to Be* will interest both general and scholarly readers interested in questions of secularism and Christianity in modern life.

Question Your Thinking, Change the World *Hay House, Inc*

In this powerful book of quotations, Byron Katie talks about the most essential issues that face us all—love, sex, and relationships; health, sickness, and death; parents and children; work and money; and self-realization. The profound, lighthearted wisdom embodied within is not theoretical; it is absolutely authentic. Not only will this book help you on many specific issues, but it will point you toward your own wisdom and

will encourage you to question your own mind, using the four simple yet incredibly powerful questions of Katie's process of self-inquiry, called The Work. Katie is a living example of the clear, all-embracing love that is our true identity. Because she has thoroughly questioned her own mind, her words shine with the joy of understanding. "People used to ask me if I was enlightened," she says, "and I would say, 'I don't know anything about that. I'm just someone who knows the difference between what hurts and what doesn't.' I'm someone who wants only what is. To meet as a friend each concept that arose turned out to be my freedom."

Loving What Is, Revised Edition

Four Questions That Can Change Your Life *Harmony*

Discover the truth hiding behind troubling thoughts with Byron Katie's self-help classic. In 2003, Byron Katie first introduced the world to The Work with the publication of *Loving What Is*. Nearly twenty years later, *Loving What Is* continues to inspire people all over the world to do The Work; to listen to the answers they find inside themselves; and to open their minds to profound, spacious, and life-transforming insights. The Work is simply four questions that, when applied to a specific problem, enable you to see what is troubling you in an entirely different light. *Loving What Is* shows you step by step, through clear and vivid examples, exactly how to use this revolutionary process for yourself. In

this revised edition, readers will enjoy seven new dialogues, or real examples of Katie doing The Work with people to discover the root cause of their suffering. You will observe people work their way through a broad range of human problems, learning freedom through the very thoughts that had caused their suffering—thoughts such as “my husband betrayed me” or “my mother doesn’t love me enough.” If you continue to do The Work, you may discover that the questioning flows into every aspect of your life, effortlessly undoing the stressful thoughts that keep you from experiencing peace. Loving What Is offers everything you need to learn and live this remarkable process, and to find happiness as what Katie calls “a lover of reality.”

The Five Love Languages

In The 5 Love Languages, you will discover the secret that has transformed millions of relationships worldwide. Dear Dad, More than anything I need your love... *WestBowPress*

In this enduring gift book, 16 heartfelt "Letters to Dad" offer profound insight for the Christian father striving to raise an emotionally and spiritually healthy daughter. What does a daughter need most from her father while growing up? Drawing upon her personal life experiences, journal entries, and meditations to pen *Seeking My Father's Love*, M. A. Brummette offers a revealing daughter's perspective on the answer to this question. Touching on topics ranging from love and trust to connection and courage to achievement and legacy, her poignant letters: • explore the father/daughter relationship from a

daughter's perspective • provide a wonderful meditative tool for fathers and daughters • create an enduring gift book for fathers of daughters

Who Would You Be Without Your Story? *Hay House, Inc*

This book is a collection of 15 dialogues that occurred throughout the United States and Europe with Byron Katie. Some of the people who worked with Katie have painful illnesses, others are lovelorn or in messy divorces. Some are simply irritated with a co-worker or worried about money. What they all have in common is a willingness to question, with Katie's help, the painful thoughts that are the true cause of their suffering. In every case we see how Katie's acute mind and fierce kindness

helps each person dismantle for themselves what is felt to be unshakable reality. Although these dialogues make fascinating reading—some are both hilarious and deeply moving at once—they are intended primarily as teaching tools. Each took place in front of an audience, and Katie never lost connection with that audience, repeatedly reminding each person in the room to follow the dialogues inwardly, asking themselves the questions the participant must ask. The dialogue between Katie and these volunteers is an external enactment of precisely the kind of dialogue each person can have with their own thoughts. The results, even in the seemingly most dire situation, can be unimagined freedom and joy.

Getting the Love You Want

A Guide for Couples *Macmillan*

A marriage therapist and pastoral counselor explains that most of the feelings of receiving inadequate love come from unresolved childhood conflicts and describes how adults can learn to flourish as loving and loved people, in a new edition of the best-selling handbook. Reprint. 50,000 first printing.

Loving What Is

Four Questions That Can Change Your Life *Harmony*

Out of nowhere, like a cool breeze in a marketplace crowded with advice, comes Byron Katie and "The Work." In

the midst of a normal life, Katie became increasingly depressed, and over a ten-year period sank further into rage, despair, and thoughts of suicide. Then one morning, she woke up in a state of absolute joy, filled with the realization of how her own suffering had ended. The freedom of that realization has never left her, and now in *Loving What Is* you can discover the same freedom through *The Work*. *The Work* is simply four questions that, when applied to a specific problem, enable you to see what is troubling you in an entirely different light. As Katie says, "It's not the problem that causes our suffering; it's our thinking about the problem." Contrary to popular belief, trying to let go of a painful thought never works; instead, once we have done *The Work*, the thought lets go of

us. At that point, we can truly love what is, just as it is. Loving What Is will show you step-by-step, through clear and vivid examples, exactly how to use this revolutionary process for yourself. You'll see people do The Work with Katie on a broad range of human problems, from a wife ready to leave her husband because he wants more sex, to a Manhattan worker paralyzed by fear of terrorism, to a woman suffering over a death in her family. Many people have discovered The Work's power to solve problems; in addition, they say that through The Work they experience a sense of lasting peace and find the clarity and energy to act, even in situations that had previously seemed impossible. If you continue to do The Work, you may discover, as many people have, that the questioning flows

into every aspect of your life, effortlessly undoing the stressful thoughts that keep you from experiencing peace. Loving What Is offers everything you need to learn and live this remarkable process, and to find happiness as what Katie calls "a lover of reality."

Love is All I Need

A Tragic Love Story

A tragic love story that spans the globe.

I Need Your Love - Is That True?

How to Stop Seeking Love, Approval, and Appreciation and Start Finding Them Instead *Harmony*

In *Loving What Is*, bestselling author Byron Katie introduced thousands of

people to her simple and profound method of finding happiness through questioning the mind. Now, *I Need Your Love—Is That True?* examines a universal, age-old source of anxiety: our relationships with others. In this groundbreaking book, Katie helps you question everything you have been taught to do to gain love and approval. In doing this, you discover how to find genuine love and connection. The usual advice offered in self-help books and reinforced by our culture advocates a stressful, all-consuming quest for love and approval. We are advised to learn self-marketing and manipulative skills—how to attract, impress, seduce, and often pretend to be something we aren't. This approach doesn't work. It leaves millions of walking

wounded—those who, having failed to find love or appreciation, blame themselves and conclude that they are unworthy of love. *I Need Your Love—Is That True?* helps you illuminate every area in your life where you seem to lack what you long for most—the love of your spouse, the respect of your child, a lover's tenderness, or the esteem of your boss. Through its penetrating inquiry, you will quickly discover the falseness of the accepted ways of seeking love and approval, and also of the mythology that equates love with need. Using the method in this book, you will inquire into painful beliefs that you've based your whole life on—and be delighted to see them evaporate. Katie shows you how unraveling the knots in the search for love, approval, and

appreciation brings real love and puts you in charge of your own happiness. “Everyone agrees that love is wonderful, except when it’s terrible. People spend their whole lives tantalized by love—seeking it, trying to hold on to it, or trying to get over it. Not far behind love, as major preoccupations, come approval and appreciation. From childhood on, most people spend much of their energy in a relentless pursuit of these things, trying out different methods to be noticed, to please, to impress, and to win other people’s love, thinking that’s just the way life is. This effort can become so constant and unquestioned that we barely notice it anymore. This book takes a close look at what works and what doesn’t in the quest for love and approval. It will help

you find a way to be happier in love and more effective in all your relationships. What you learn here will bring fulfillment to all kinds of relationships, including romantic love, dating, marriage, work, and friendship.” —Byron Katie

Love You Forever *Firefly Books*

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

Better is Your Love Than Wine *IVP Books*

**I Want Our Love to Last Forever--
and I Know it Can If We Both Want it
to**

A Collection of Poems from Blue

Mountain Arts *Blue Mountain Arts*

Love is never perfect, but nevertheless, you want to share your heart with somebody. This book talks about the success and the insecurities of love. How you want to hold on tightly to someone without making them feel smothered. How you want to make everything just right without having to try too hard all the time. How you want to share your feelings without worrying that your feelings won't

All About Love**New Visions** *HarperCollins*

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation"

trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model

for learning to love. As bell hooks uses her incisive mind to explore the question “What is love?” her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The Utne Reader declared bell hooks one of the “100 Visionaries Who Can Change Your Life.” All About Love is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Mom, I Want to Hear Your Story

A Mother's Guided Journal to Share Her Life & Her Love (Floral Cover)

Ask a Manager

How to Navigate Clueless Colleagues, Lunch-Stealing Bosses, and the Rest of Your Life at Work *Ballantine Books*

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you

may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred

review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce

in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

I Want That Love *Tyrannosaurus*

Although Tyrannosaurus storms around saying that power is everything in the world, he realizes he is getting weaker with age. After his tail gets bitten in a run-in with Masiakasaurus, some young Triceratops nurse him back to health. Touched by their innocent hearts, Tyrannosaurus begins to feel love for these new friends—even though he might have eaten them under different circumstances! So when two Giganotosaurus attack the group, Tyrannosaurus fights them off, holding the children tightly to his body, and

sacrificing himself in order to protect them from the Giganotosaurus. The third title in this acclaimed series, *I Want That Love* explains that love is far more important than power.

West Side Story

A Musical *Heinemann*

This series of contemporary plays includes structured GCSE assignments for use by individuals or groups. These include questions which involve close reading, writing and discussion. This play places the "Romeo and Juliet" story in a New York gang-warfare context.

Tiger-Tiger, Is It True?

Four Questions to Make You Smile

Again *Hay House, Inc*

Tiger-Tiger, Is It True? is a story about a little tiger who thinks that his whole world is falling apart: his parents don't love him, his friends have abandoned him, and life is unfair. But a wise turtle asks him four questions, and everything changes. He realizes that all his problems are not caused by things, but by his thoughts about things; and that when he questions his thoughts, life becomes wonderful again. This is a heartwarming story with a powerful message that can transform the lives of even very young children. Byron Katie's wisdom-filled words and Hans Wilhelm's vivid, magical illustrations combine to make a book that will become one of the classics of children's literature.

Miss Memory Lane**A Memoir** *Simon and Schuster*

A brutally honest and moving memoir of lust, abuse, addiction, stardom, and redemption from Arrow and Teen Wolf actor Colton Haynes. Four years ago, Colton Haynes woke up in a hospital. He'd had two seizures, lost the sight in one eye, almost ruptured a kidney, and been put on an involuntary psychiatry hold. Not yet thirty, he knew he had to take stock of his life and make some serious changes if he wanted to see his next birthday. As he worked towards sobriety, Haynes allowed himself to become vulnerable for the first time in years and with that, discovered profound self-awareness. He had millions of social media followers who constantly told him

they loved him. But what would they think if they knew his true story? If they knew where he came from and the things he had done? Now, Colton bravely pulls back the curtain on his life and career, revealing the incredible highs and devastating lows. From his unorthodox childhood in a small Kansas town, to coming to terms with his sexuality, he keeps nothing back. By sixteen, he had been signed by the world's top modeling agency and his face appeared on billboards. But he was still a broke, lonely, confused teenager, surrounded by people telling him he could be a star as long as he never let anyone see his true self. As his career in television took off, the stress of wearing so many masks and trying to please so many different people turned his use of

drugs and alcohol into full-blown addiction. A lyrical and intimate confession, apology, and cautionary tale, *Miss Memory Lane* is an unforgettable story of dreams deferred and dreams fulfilled; of a family torn apart and rebuilt; and of a man stepping into the light as no one but himself.

High Performance

How People Achieve Greatness, and How You Can Too *Century*

How We Love

Discover Your Love Style, Enhance Your Marriage *WaterBrook*

Subtitle varies in previous editions and versions.

I'll Love You Till the Cows Come Home *HarperCollins*

I will love you till the cows come home from a trip to Mars through skies unknown, in a rocket ship made of glass and stone... I will love you till the cows come home. Love knows no bounds in this tender tribute to the depths of family love. For fans of *Guess How Much I Love You*—only funnier! Makes a good baby shower or Valentine's Day gift. This book extends the saying, "I'll love you till the cows come home" to the humorous extreme. Along the way there are yaks in cadillacs, sheep setting sail, frogs on big-wheeled bikes, and more, in this great read-aloud. *I'll Love You Till the Cows Come Home* is filled with warm, funny art and rhythmic, romping text, perfect for curling up with your little one

at the end of the day...or anytime you want to express your love.

Everything I Know About Love

A Memoir *HarperCollins*

"There is no writer quite like Dolly Alderton working today and very soon the world will know it." —Lisa Taddeo, author of #1 New York Times bestseller *Three Women* "Dolly Alderton has always been a sparkling Roman candle of talent. She is funny, smart, and explosively engaged in the wonders and weirdness of the world. But what makes this memoir more than mere entertainment is the mature and sophisticated evolution that Alderton describes in these pages. It's a beautifully told journey and a thoughtful,

important book. I loved it.” —Elizabeth Gilbert, New York Times bestselling author of *Eat, Pray, Love* and *City of Girls*

The wildly funny, occasionally heartbreaking internationally bestselling memoir about growing up, growing older, and learning to navigate friendships, jobs, loss, and love along the ride When it comes to the trials and triumphs of becoming an adult, journalist and former Sunday Times columnist Dolly Alderton has seen and tried it all. In her memoir, she vividly recounts falling in love, finding a job, getting drunk, getting dumped, realizing that Ivan from the corner shop might just be the only reliable man in her life, and that absolutely no one can ever compare to her best girlfriends. *Everything I Know About Love* is about bad dates, good

friends and—above all else— realizing that you are enough. Glittering with wit and insight, heart and humor, Dolly Alderton’s unforgettable debut weaves together personal stories, satirical observations, a series of lists, recipes, and other vignettes that will strike a chord of recognition with women of every age—making you want to pick up the phone and tell your best friends all about it. Like *Bridget Jones’s Diary* but all true, *Everything I Know About Love* is about the struggles of early adulthood in all its terrifying and hopeful uncertainty.

What She Said

The Art of Inspiring Action through Speech *Wiley*

This collection analyses inspirational

speeches from persuasive women from many different walks of life throughout history. From Queen Elizabeth I to Julia Gillard, Maya Angelou to Malala Yousafzai, it champions women as great communicators who can teach us how to craft a strong message. This book will help readers build their speaking skills by showing how women of all ages, from extremely diverse backgrounds, have used the power of speech and their unique voices to make a difference in the world.

Get the Guy

Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve *Harper Collins*

Most dating books tell you what NOT to

do. Here's a book dedicated to telling you what you CAN do. In his book, *Get the Guy*, Matthew Hussey—relationship expert, matchmaker, and star of the reality show *Ready for Love*—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs, showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew's male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about

the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew's insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she's been waiting for.

The Mastery of Love

A Practical Guide to the Art of Relationship *Amber-Allen Publishing*

Don Miguel Ruiz illuminates the fear-based beliefs and assumptions that undermine love and lead to suffering and drama in our relationships. He shows us

how to heal our emotional wounds, recover the freedom and joy that are our birthright, and restore the spirit of playfulness that is vital to loving relationships.

Keep Your Love On

Connection, Communication and Boundaries *Loving On Purpose*

Keeping your love on. It's a hard thing to do. Sometimes it's the hardest thing to do. But if you want to build healthy relationships with God and others, learning to keep your love on is non-negotiable. Adults and children alike thrive in healthy relationships where it is safe to love and be loved, to know and be known. Yet for many, relationships are anything but safe, loving, or

intimate. They are defined by anxiety, manipulation, control, and conflict. The reason is that most people have never been trained to be powerful enough to keep their love on in the face of mistakes, pain, and fear. *Keep Your Love On* reveals the higher, Jesus-focused standard defined by mature love--love that stays 'on' no matter what. Danny Silk's practical examples and poignant stories will leave you with the power to draw healthy boundaries, communicate in love, and ultimately protect your connections so you can love against all odds. As a result, your relationships will be radically transformed for eternity. When you learn to keep your love on, you become like Jesus. -- Danny Silk

The Angry Therapist

A No BS Guide to Finding and Living Your Own Truth *Parallax Press*

Tackling relationships, career, and family issues, John Kim, LMFT, thinks of himself as a life-styledesigner, not a therapist. His radical new approach, that he sometimes calls “self-help in a shot glass” is easy, real, and to the point. He helps people make changes to their lives so that personal growth happens organically, just by living. Let’s face it, therapy is a luxury. Few of us have the time or money to devote to going to an office every week. With anecdotes illustrating principles in action (in relatable and sometimes irreverent fashion) and stand-alone practices and exercises, Kim gives readers the tools and directions to focus on what's right with them instead of what's wrong.

When John Kim was going through the end of a relationship, he began blogging as The Angry Therapist, documenting his personal journey post-divorce. Traditional therapists avoid transparency, but Kim preferred the language of "me too" as opposed to "you should." He blogged about his own shortcomings, revelations, views on relationships, and the world. He spoke a different therapeutic language —open, raw, and at times subversive — and people responded. The Angry Therapist blog, that inspired this book, has been featured in The Atlantic Monthly and on NPR.

I Need My Monster *Flashlight Press*

This enhanced eBook features read-along narration. A unique monster-

under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan. When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't

enjoy fishing because the fish scared too easily.

I Want to Say I Love You *Dial*

A mother expresses her love for her child.

The Four Questions

For Henny Penny and Anybody with Stressful Thoughts *Penguin*

Bestselling author Byron Katie and accomplished, award-winning illustrator Hans Wilhelm team up for a modern retelling of the classic folk tale The Sky Is Falling--reimagined through the lens of Byron Katie's world-famous philosophy for living known as "The Work." Written for adults and children alike, in the form of a full-color, illustrated book, the

wisdom contained in this beautiful work can have a profound effect on readers young and old.

Love Me, Don't Leave Me

Overcoming Fear of Abandonment and Building Lasting, Loving Relationships *New Harbinger Publications*

Everyone thrives on love, comfort, and the safety of family, friends, and community. But if you are denied these basic comforts early in life, whether through a lack of physical affection or emotional bonding, you may develop intense fears of abandonment that can last well into adulthood—fears so powerful that they can actually cause you to push people away. If you suffer

from fears of abandonment, you may have underlying feelings of anger, shame, fear, anxiety, depression, and grief. These emotions are intense and painful, and when they surface they can lead to a number of negative behaviors, such as jealousy, clinging, and emotional blackmail. In *Love Me, Don't Leave Me*, therapist Michelle Skeen combines acceptance and commitment therapy (ACT), schema therapy, and dialectical behavioral therapy (DBT) to help you identify the root of your fears. In this book you'll learn how schema coping behaviors—deeply entrenched and automatic behaviors rooted in childhood experiences and fears—can take over

and cause you to inadvertently sabotage your relationships. By recognizing these coping behaviors and understanding their cause, you will not only gain powerful insights into your own mind, but also into the minds of those around you. If you are ready to break the self-fulfilling cycle of mistrust, clinginess, and heartbreak and start building lasting, trusting relationships, this book will be your guide.
