Geological Applications Of Well Logs

January 01, 2002. This book provides examples of the use of well logs across a broad range of applications. The "Technology and Techniques" section includes papers on logging in high-angle

wells and on logging and imaging while drilling. The "Sedimentology and Stratigraphy" section, introduced by John Doveton (University of Kansas), includes studies from the North West Shelf of Australia, Kalimantan, and Iberia as well as from the North Sea, where important new contributions have ...
