Midwifery, care of women in pregnancy, childbirth (parturition), and the postpartum period that often also includes care of the newborn. Midwifery is as old as childbearing. Indeed, midwives historically were women who were mothers themselves and who became midwives when they attended the births of

Midwifery | Britannica

Midwifery is a regulated profession. Midwives must register with the Nursing and Midwifery Council (NMC), and must have an approved NMC midwifery degree. These degrees usually take at least three years to complete,

unless the midwife is a qualified nurse, in which case they may do a shortened midwifery programme.

Changing the system of midwifery supervision in the UK. Naomi Todd considers recent proposals for changing the way that midwives are supervised in the UK and also separating the function of regulation of midwives. Although midwifery supervision has been around in England and Wales since 1902, it has long been considered that there should be a distinction between midwifery supervision and regulation, and that midwifery supervision and regulation should be separated.

Changing the system of midwifery supervision in the UK ...

system of midwifery regulation. The two principles are: • that

midwifery supervision and regulation should be separated; • that the NMC should be in direct control of regulatory activity. We recommend that these principles inform the future model of midwifery regulation. We recognise that the regulatory framework
