Maths Mate Australia - The Educational Advantage

About Us. • The Maths Mate program is designed for use in schools, from years 3 to 10. • The Maths
Mate program is centred around a weekly worksheet. • Students systematically revise all skills
related to the key mathematical strands at their level. • Emphasis is placed on the review and
gradual development of basic skills so that students keep their skills up to date and teachers need to
spend less class time on revision when starting new or subsequent topics.
