Employment law encompasses dozens of different laws and acts in relation to the rights of employees, including disability discrimination, senior employees rights, health and safety and contracts to name but a few. Due to the complexity of this legislation, medium to large companies often choose to employ solicitors or business advisers to make sure that all the procedures are watertight in terms of the law and how they treat and deal with employees and their disputes.

Employment law: A quick guide for small business owners

Employment law exists to protect employees' health, safety and rights - and it can also safeguard your

business. Having rights and responsibilities clearly set out removes ambiguity as staff and employers know where they stand. As well as defining employees' legal rights, employment law also sets boundaries, which can prevent or help to resolve disputes.
