Terror and Liberalism is a non-fiction book by American political philosopher and writer Paul Berman. He published the work through W. W. Norton & Company in April 2003. Berman asserts that modern Islamist groups such as al Qaeda share fundamental ideological elements with fascism and other 20th-century Western totalitarian movements, and he defends an assertive approach to root out this extremist thinking across the world.

Terror and Liberalism - Wikipedia

'Paul Berman's *Terror and Liberalism* is a wide ranging, sometimes witty, and often incisive polemic for the idea that the fate of the free world depends on a decisive Western victory over fundamentalist Islam. It is more subtle than the writing of many of the hawks who (recognizing the utility of an ally from the Left) have embraced his book, and a far better argument for pre-emptive war than President Bush makes himself.

The liberal side was internally divided. On the liberal side, there were always people, sometimes in large numbers, who suspected that the antiliberals might be correct in their view of liberalism and might even have justice on their side. And so the twentieth-century wars were ideological in a double sense.
