Black Intellectuals: Race and Responsibility in American Life

I first used William M. Banks' vivid and engaging text, *Black Intellectuals: Race and Responsibility in American Life*. 1 *Black Intellectuals* adeptly narrates a history of important black thinkers within changing contexts of slavery, race, and modernization, but it also emphasizes a narrow understanding of black intellectualism. I found myself sometimes working against this text to get students to think about the patterns, changes and complexities of black thought expressed in different ...
