Our Band Could Be Your Life *Back Bay Books*

"This book will be fresh even for those whose lives these bands were...All thirteen profiles are page-turners." --Robert Christgau, Village Voice This is the never-before-told story of the musical revolution that happened right under the nose of the Reagan Eighties--when a small but sprawling network of bands, labels, fanzines, radio stations, and other subversives reenergized American rock with punk rock's do-it-yourself credo and created music that was deeply personal, often brilliant, always challenging, and immensely influential. This sweeping chronicle of music, politics, drugs, fear, loathing, and faith has been recognized as an indie rock classic in its own right. Among the bands profiled: Mission of Burma, Butthole Surfers, The Minutemen, Sonic Youth, Black Flag, Big Black, Hüsker Dü, Fugazi, Minor Threat, Mudhoney, The Replacements, Beat Happening, and Dinosaur Jr.

Our Band Could Be Your Life *Little, Brown*

The definitive chronicle of underground music in the 1980s tells the stories of Black Flag, Sonic Youth, The Replacements, and other seminal bands whose DIY revolution changed American music forever. *Our Band Could Be Your Life* is the never-before-told story of the musical revolution that happened right under the nose of the Reagan Eighties -- when a small but sprawling network of bands, labels, fanzines, radio stations, and other subversives re-energized American rock with punk's do-it-yourself credo and created music that was deeply personal, often brilliant, always challenging, and immensely influential. Rip It Up and Start Again *Penguin*

Rip It Up and Start Again is the first book-length exploration of the wildly adventurous music created in the years after punk. Renowned music journalist Simon Reynolds celebrates the futurist spirit of such bands as Joy Division, Gang of Four, Talking Heads, and Devo, which resulted in endless innovations in music, lyrics, performance, and style and continued into the early eighties with the video-savvy synth-pop of groups such as Human League, Depeche Mode, and Soft Cell, whose success coincided with the rise of MTV. Full of insight and anecdotes and populated by charismatic characters, *Rip It Up and Start Again* re-creates the idealism, urgency, and excitement of one of the most important and challenging periods in the history of popular music.

Your Band Sucks *Penguin*

A memoir charting thirty years of the American indie rock underground by a musician who was at its center Jon Fine spent nearly thirty years performing and recording with bands that played aggressive and challenging underground rock music, and, as he writes, at no point were any of those bands "ever threatened, even distantly, by actual fame." Yet when the members of his 1980s post-hardcore band Bitch Magnet came together for an unlikely reunion tour in 2011, diehard fans traveled from far and wide to attend their shows, despite

creeping middle-age obligations of parenthood and 9-to-5 jobs. Their devotion was testament to the remarkable staying power of indie culture. In indie rock's pre-Internet glory days, bands like Bitch Magnet, Black Flag, Mission of Burma, and Sonic Youth—operating far outside commercial radio and major label promotion—attracted fans through word of mouth, college DJs, record stores, and zines. They found glory in all-night recording sessions, shoestring van tours, and endless appearances in grimy clubs. Some bands with a foot in this scene, like REM and Nirvana, eventually attained mainstream success. Many others, like Bitch Magnet, were beloved only by the most obsessed fans of the time. *Your Band Sucks* is an insider's look at that fascinating, outrageous culture—how it emerged and evolved, how it grappled with the mainstream and vice versa, and its odd rebirth in recent years as countless bands reunited, briefly and bittersweetly. With backstage access to many key characters on the scene—and plenty of wit and sharply worded opinion—Fine delivers a memoir that affectionately yet critically portrays an important, heady moment in music history. Praise for *Your Band Sucks*: “Everything a cult-fave musician's memoir should be: It's a seductively readable book that requires no previous knowledge of the author, Bitch Magnet or any other band with which he's played.” —Janet Maslin, *The New York Times* “Jon Fine has produced as evocative a portrait of the underground music scene as any wistful, graying post-punk could wish for.” —*The Atlantic*

Rock Critic Law *HarperCollins*

Straight out of his beloved Twitter feed @RockCriticLaw, acclaimed rock journalist and author of the classic books *Come*

As You Are: The Story of Nirvana and Our Band Could Be Your Life, Michael Azerrad turns his trenchant eye to the art of rock writing itself, hilariously skewering 101 of the genre's seemingly endless litany of hackneyed phrases and tropes. One of the finest music writers today, Michael Azerrad has catalogued the shortcuts, lazy metaphors and uninspired prose that so many of his beloved colleagues all too regularly rely on to fill column inches. In 2014, he began his wickedly droll Twitter feed @RockCriticLaw to expose and make fun of this word-hash. Now, he consolidates these "Laws" into one witty, comprehensive and fully illustrated volume. *Rock Critic Law* includes timeless gems such as: If a band pioneered something, you must say they are "seminal." That is the Seminal Law of Rock Criticism. If a recording features densely layered guitars, then you **MUST** use the phrase "sonic cathedrals." Even when it's easy to find out with research, by all means ask a band how they got their name. Please feel free to deny an artist's individuality and say they are "the new [x]." If two guitars play a melodic line in harmony, you **MUST** say they are "twin lead guitars." All 101 Rock Critic Laws are accompanied by original illustrations from Ed Fotheringham, beloved Seattle scenester and highly regarded artist who has created album covers for everyone from, well, seminal grunge band Mudhoney to iconic jazz label Verve Records, as well as illustrations for *The Atlantic*, *Vanity Fair*, *The New Yorker* and more, making this book a must-have for music lovers everywhere. A unique appreciation of music writing from one of its own, *Rock Critic Law* irreverently captures all the passion and furor of fandom.

See a Little Light *Little, Brown*

The long-awaited, full-force autobiography of American punk music hero, Bob Mould. Bob Mould stormed into America's punk rock scene in 1979, when clubs across the country were filling with kids dressed in black leather and torn denim, packing in to see bands like the Ramones, Black Flag, and the Dead Kennedys. Hardcore punk was a riot of jackhammer rhythms, blistering tempos, and bottomless aggression. And at its center, a new band out of Minnesota called Hüsker Dü was bashing out songs and touring the country on no money, driven by the inspiration of guitarist and vocalist Bob Mould. Their music roused a generation. From the start, Mould wanted to make Hüsker Dü the greatest band in the world - faster and louder than the hardcore standard, but with melody and emotional depth. In *See a Little Light*, Mould finally tells the story of how the anger and passion of the early hardcore scene blended with his own formidable musicianship and irrepressible drive to produce some of the most important and influential music of the late 20th century. For the first time, Mould tells his dramatic story, opening up to describe life inside that furnace and beyond. Revealing the struggles with his own homosexuality, the complexities of his intimate relationships, as well as his own drug and alcohol addiction, Mould takes us on a whirlwind ride through achieving sobriety, his acclaimed solo career, creating the hit band Sugar, a surprising detour into the world of pro wrestling, and most of all, finally finding his place in the world. A classic story of individualism and persistence, Mould's autobiography is an open account of the rich history of one of the most revered figures of punk, whose driving force altered the shape of American music.

Come As You Are *Crown*

"Amazingly raw and candid . . . *Come As You Are* is as good as rock bios get" —Billboard *Nirvana* came out of nowhere in 1991 to sell nearly five million copies of their landmark album *Nevermind*, whose thunderous sound and indelible melodies embodied all the confusion, frustration, and passion of the emerging Generation X. *Come As You Are* is the close-up, intimate story of Nirvana—the only book with exclusive in-depth interviews with bandmembers Kurt Cobain, Krist Noveselic, and Dave Grohl, as well as friends, relatives, former bandmembers, and associates—now updated to include a final chapter detailing the last year of Kurt Cobain's life, before his tragic suicide in April 1994.

I Dreamed I Was a Very Clean Tramp *Harper Collins*

The sharp, lyrical, and no-holds-barred autobiography of the iconoclastic writer and musician Richard Hell, charting the childhood, coming of age, and misadventures of an artist in an indelible era of rock and roll... From an early age, Richard Hell dreamed of running away. His father died when he was seven, and at seventeen he left his mother and sister behind and headed for New York City, place of limitless possibilities. He arrived penniless with the idea of becoming a poet; ten years later he was a pivotal voice of the age of punk, starting such seminal bands as Television, the Heartbreakers, and Richard Hell and the Voidoids—whose song "Blank Generation" remains the defining anthem of the era. Hell was significantly responsible for creating CBGB as punk ground zero; his Voidoids toured notoriously with the Clash, and Malcolm McLaren would credit

Hell as inspiration for the Sex Pistols. There were kinetic nights in New York's club demi-monde, descent into drug addiction, and an ever-present yearning for redemption through poetry, music, and art. "We lived in the suburbs in America in the fifties," Hell writes. "My roots are shallow. I'm a little jealous of people with strong ethnic and cultural roots. Lucky Martin Scorsese or Art Spiegelman or Dave Chappelle. I came from Hopalong Cassidy and Bugs Bunny and first grade at ordinary Maxwell Elementary." How this legendary downtown artist went from a prosaic childhood in the idyllic Kentucky foothills to igniting a movement that would take over New York's and London's restless youth cultures—and spawn the careers of not only Hell himself, but a cohort of friends such as Tom Verlaine, Patti Smith, the Ramones, and Debbie Harry—is just part of the fascinating story Hell tells. With stunning powers of observation, he delves into the details of both the world that shaped him and the world he shaped. An acutely rendered, unforgettable coming-of-age story, *I Dreamed I Was a Very Clean Tramp* evokes with feeling, clarity, and piercing intelligence that classic journey: the life of one who comes from the hinterlands into the city in search of art and passion.

Sellout *Mariner Books*

"From celebrated music writer Dan Ozzi comes a comprehensive chronicle of the punk music scene's evolution from the early nineties to the mid-aughts, following eleven bands as they dissolved, "sold out," and rose to surprise stardom. From its inception, punk music has been identified by two factors: its proximity to "authenticity," and its reliance on an antiestablishment ethos. Yet, in the mid- to late '90s, major

record labels sought to capitalize on punk's rebellious undertones, leading to a schism in the scene: to accept the cash flow of the majors, or stick to indie cred? *Sellout* chronicles the evolution of the punk scene during this era, focusing on prominent bands as they experienced the last "gold rush" of the music industry. Within it, music writer Dan Ozzi follows the rise of successful bands like Green Day and Jimmy Eat World, as well as the implosion of groups like Jawbreaker and At the Drive-In, who buckled under the pressure of their striving labels. Featuring original interviews and personal stories from members of eleven of modern punk's most (in)famous bands, *Sellout* is the history of the evolution of the music industry, and a punk rock lover's guide to the chaotic darlings of the post-grunge era. "--

Screaming Life *Harpercollins*

Traces the growth of the "grunge" music scene in Seattle during the early 1990s, in an illustrated book that includes a compact disc recording of the scene's leading bands

Post *iUniverse*

POST is a look at how post-hardcore/emo music developed since its unintentional inception in the mid-1980s. With each chapter broken up by influential band or label, it focuses on a broad style of independent music that developed because of the Do-It-Yourself (DIY) ethic. Focusing on bands like Fugazi, Jawbox, Jawbreaker, Sunny Day Real Estate, Braid, the Promise Ring, Hot Water Music, the Get Up Kids, At the Drive-In, and Jimmy Eat World, as well as labels like Dischord, Jade Tree, and Vagrant, these bands and labels came from the ideas of DIY and sustained

them. In turn, they inspired plenty that came after them. Looking at the surroundings and circumstances from where they came, this a look at the bonds that formed and the music that came out. ". . . a gripping, Our Band Could Be Your Life-style narrative," - Aaron Burgess, writer for Alternative Press and Revolver.

Nothing Feels Good *St. Martin's Griffin*

Nothing Feels Good: Punk Rock, Teenagers, and Emo tells the story of a cultural moment that's happening right now-the nexus point where teen culture, music, and the web converge to create something new. While shallow celebrities dominate the headlines, pundits bemoan the death of the music industry, and the government decries teenagers for their morals (or lack thereof) earnest, heartfelt bands like Dashboard Confessional, Jimmy Eat World, and Thursday are quietly selling hundreds of thousands of albums through dedication, relentless touring and respect for their fans. This relationship - between young people and the empathetic music that sets them off down a road of self-discovery and self-definition - is emo, a much-maligned, mocked, and misunderstood term that has existed for nearly two decades, but has flourished only recently. In Nothing Feels Good, Andy Greenwald makes the case for emo as more than a genre - it's an essential rite of teenagehood. From the '80s to the '00s, from the basement to the stadium, from tour buses to chat rooms, and from the diary to the computer screen, Nothing Feels Good narrates the story of emo from the inside out and explores the way this movement is taking shape in real time and with real hearts on the line. Nothing Feels Good is the first book to explore this exciting moment in music history and Greenwald has been

given unprecedented access to the bands and to their fans. He captures a place in time and a moment on the stage in a way only a true music fan can.

Please Kill Me *Grove/Atlantic, Inc.*

"Ranks up there with the great rock & roll books of all time."—Time Out New York "Lurid, insolent, disorderly, funny, sometimes gross, sometimes mean and occasionally touching . . . Resounds with authenticity."—The New York Times "No volume serves juicier dish on punk's New York birth . . . Tales of sex, drugs and music that will make you wish you'd been there."—Rolling Stone A contemporary classic, Please Kill Me is the definitive oral history of the most nihilistic of all pop movements. Iggy Pop, Richard Hell, the Ramones, and scores of other punk figures lend their voices to this decisive account of that explosive era. This 20th anniversary edition features new photos and an afterword by the authors. "Utterly and shamelessly sensational."—Newsday

The Indie Cred Test *Penguin*

An obsessively completist checklist of cool—covering lifestyle, fashion, music, movies, body art, and more. The Indie Cred Test is the ultimate test of hipness. Sixteen chapters and countless sidebars cover musicians, authors, hipsters, hippies, miniature toy poodles, and everything in between. Part pop culture quiz, part satire, part handbook of all things cool, this fun and fascinating book is The Official Preppy Handbook meets The Hipster Handbook, plus massive amounts of (what else?) indie cred. Readers can put their indie cred to the test by answering

such questions and prompts as: • Explain McSweeney's. • Is a bike your primary form of transportation? • Is there any kind of T-shirt that can't be worn ironically? • Has Courtney Love ever taken a swing at you?

We Sold Our Souls *Quirk Books*

"A gloriously over-the-top scare fest that has hidden depths. Readers will root for Kris all the way to the explosive, poignant finale."—Publishers Weekly From the New York Times best-selling author of *The Southern Book Club's Guide to Slaying Vampires*. Only a girl with a guitar can save us all. Every morning, Kris Pulaski wakes up in hell. In the 1990s she was lead guitarist of Dürt Würk, a heavy-metal band on the brink of breakout success until lead singer Terry Hunt embarked on a solo career and rocketed to stardom, leaving his bandmates to rot in obscurity. Now Kris works as night manager of a Best Western; she's tired, broke, and unhappy. Then one day everything changes—a shocking act of violence turns her life upside down, and she begins to suspect that Terry sabotaged more than just the band. Kris hits the road, hoping to reunite Dürt Würk and confront the man who ruined her life. Her journey will take her from the Pennsylvania rust belt to a celebrity rehab center to a satanic music festival. A spine-tingling horror novel, *We Sold Our Souls* is an epic journey into the heart of a conspiracy-crazed, pill-popping, paranoid country that seems to have lost its very soul.

Mutations *Barnacle Book*

How can so many people pledge allegiance to punk, something with no fixed identity? Depending on who and where you are,

punk can be an outlet, excuse, lifestyle, escapism, conversation, community, ideology, sales category, social movement, punishable offense, badge of authenticity, reason to drink beer forever, or an aesthetic of belligerent incompetence. And if someone has a strong belief about what punk is, odds are they have even stronger feelings about what punk is not. Sam McPheeters championed many different versions. Over the course of two decades, he fronted Born Against, released dozens of records and fanzines, and toured seventeen times across the northern hemisphere. In this collection of essays, profiles, criticism, and personal history, he examines the diverse realms he intersected--New York hardcore, Riot Grrrl, Gilman street, the hidden enclaves of Olympia, and New England, and downtown Los Angeles--and the forces of mental illness and creative inspiration that drove him, and others, in the first place.

Rat Girl *Penguin*

"One of the 25 Greatest Rock Memoirs of All Time" --Rolling Stone Magazine (#8) "Sensitive and emotionally raw... it's also wildly funny"--The New York Times Book Review A powerfully original memoir of pregnancy and mental illness by the legendary founder of the seminal rock band Throwing Muses, 'a magnificently charged union of Sylvia Plath and Patti Smith' - The Guardian Kristin Hersh was a preternaturally bright teenager, starting college at fifteen and with her band, Throwing Muses, playing rock clubs she was too young to frequent. By the age of seventeen she was living in her car, unable to sleep for the torment of strange songs swimming around her head - the songs for which she is now known. But just as her band was taking off,

Hersh was misdiagnosed with schizophrenia. *Rat Girl* chronicles the unraveling of a young woman's personality, culminating in a suicide attempt; and then her arduous yet inspiring recovery, her unplanned pregnancy at the age of 19, and the birth of her first son. Playful, vivid, and wonderfully warm, this is a visceral and brave memoir by a truly original performer, told in a truly original voice.

Kiss This *St. Martin's Griffin*

This is a true-crime story of the murder of an art form: punk rock. Gina Arnold has been witness to this gradual annihilation, and she's not shy about pointing out the perpetrators: Tipper Gore, Rolling Stone, Geffen Records, Miller beer, and even the progenitors of punk themselves, the Sex Pistols, are all implicated in the demise of independent music. In *Route 666: On the Road to Nirvana*, Gina Arnold gave us a road map to the defiant fury that shaped punk's harsh, musical bloodletting. But now Kurt Cobain is dead. And Courtney Love is playing shows sponsored by beer companies, MasterCard is financing the Monsters of Rock tour, and the Red Hot Chili Peppers are sporting free Airwalk sneakers. Arnold knows something has gone terribly wrong. Bad Religion, Metallica, Rancid, Rage Against the Machine, Soundgarden, Smashing Pumpkins, Green Day, Pearl Jam, the Fastbacks, Beastie Boys, Nine Inch Nails—find out who sold out, who stayed real, and what independent music must do now to regain its lost edge. In 1978 Sid Vicious mocked a Sinatra classic with his version of "My Way." Well, it's 1997, and punk has lost its way. In *Kiss This* Gina Arnold just may show it the way home.

Meet Me in the Bathroom *HarperCollins*

Named a Best Book of 2017 by NPR and GQ joining the ranks of the classics *Please Kill Me*, *Our Band Could Be Your Life*, and *Can't Stop Won't Stop*, an intriguing oral history of the post-9/11 decline of the old-guard music industry and rebirth of the New York rock scene, led by a group of iconoclastic rock bands. In the second half of the twentieth-century New York was the source of new sounds, including the Greenwich Village folk scene, punk and new wave, and hip-hop. But as the end of the millennium neared, cutting-edge bands began emerging from Seattle, Austin, and London, pushing New York further from the epicenter. The behemoth music industry, too, found itself in free fall, under siege from technology. Then 9/11/2001 plunged the country into a state of uncertainty and war—and a dozen New York City bands that had been honing their sound and style in relative obscurity suddenly became symbols of glamour for a young, web-savvy, forward-looking generation in need of an anthem. *Meet Me in the Bathroom* charts the transformation of the New York music scene in the first decade of the 2000s, the bands behind it—including The Strokes, The Yeah Yeah Yeahs, LCD Soundsystem, Interpol, and Vampire Weekend—and the cultural forces that shaped it, from the Internet to a booming real estate market that forced artists out of the Lower East Side to Williamsburg. Drawing on 200 original interviews with James Murphy, Julian Casablancas, Karen O, Ezra Koenig, and many others musicians, artists, journalists, bloggers, photographers, managers, music executives, groupies, models, movie stars, and DJs who lived through this explosive time, journalist Lizzy Goodman offers a fascinating portrait of a time and a place that gave birth to a new

era in modern rock-and-roll.

Perfect Youth *ECW Press*

While many volumes devoted to the punk and hardcore scenes in America grace bookstore shelves, CanadaOCOs contributions to the genre remain largely unacknowledged. For the first time, the birth of Canadian punkOCoa transformative cultural force that spread across the country at the end of the 1970sOCois captured between the pages of this important resource. Delving deeper than standard band biographies, this book articulates how the advent of punk reshaped the culture of cities across Canada, speeding along the creation of alternative means of cultural production, consumption, and distribution. Describing the origins of bands such as D.O.A., the Subhumans, the Viletones, and Teenage Head alongside lesser-known regional acts from all over Canada, it is the first published account of the first wave of punk in places like Regina, Ottawa, Halifax, and Victoria. Proudly staking CanadaOCOs claim as the starting point for many internationally famous bands, this book unearths a forgotten musical and cultural history of drunks and miscreants, future country stars, and political strategists."

Big Day Coming *Penguin*

The first biography of Yo La Tengo, the massively influential band who all but defined indie music. Yo La Tengo has lit up the indie scene for three decades, part of an underground revolution that defied corporate music conglomerates, eschewed pop radio, and found a third way. Going behind the scenes of one of the most remarkable eras in American music history, Big Day Coming

traces the patient rise of husband-and-wife team Ira Kaplan and Georgia Hubley, who—over three decades—helped forge a spandex-and-hairspray-free path to the global stage, selling millions of records along the way and influencing countless bands. Using the continuously vital Yo La Tengo as a springboard, Big Day Coming uncovers the history of the legendary clubs, bands, zines, labels, record stores, college radio stations, fans, and pivotal figures that built the infrastructure of the now-prevalent indie rock world. Journalist and freeform radio DJ Jesse Jarow draws on all-access interviews and archives for mesmerizing trip through contemporary music history told through one of its most creative and singular acts.

From the Basement *Mango Media Inc.*

A deep dive into the cultural, social, and psychological impact that the emo scene had on pop culture—featuring inside stories from music legends. Though music always comes from a unique time and place, its influence can be timeless and universal. In the 1990s and 2000s, an explosion of indie, emo, and punk rock carried a raw emotional that has resonated with listeners ever since. In From the Basement, music journalist Taylor Markarian examines the underground emo scene that had an indelible influence on popular culture. Markarian grew up in the emo scene. She's been backstage with Hawthorne Heights and appeared in a Senses Fail music video. With her intimate perspective, she explores not only the music itself but its fans and creators. With extensive band interviews and an exploration of music's relationship to culture and mental health, From the Basement demonstrates that there's much more to emo than

black eyeliner and colored Converse.

Smash! *Da Capo Press*

A group biography of '90s punk rock told through the prism of Green Day, The Offspring, NOFX, Rancid, Bad Religion, Social Distortion, and more. Two decades after the Sex Pistols and the Ramones birthed punk music into the world, their artistic heirs burst onto the scene and changed the genre forever. While the punk originators remained underground favorites and were slow burns commercially, their heirs shattered commercial expectations for the genre. In 1994, Green Day and The Offspring each released their third albums, and the results were astounding. Green Day's *Dookie* went on to sell more than 15 million copies and The Offspring's *Smash* remains the all-time bestselling album released on an independent label. The times had changed, and so had the music. While many books, articles, and documentaries focus on the rise of punk in the '70s, few spend any substantial time on its resurgence in the '90s. *Smash!* is the first to do so, detailing the circumstances surrounding the shift in '90s music culture away from grunge and legitimizing what many first-generation punks regard as post-punk, new wave, and generally anything but true punk music. With astounding access to all the key players of the time, including members of Green Day, The Offspring, NOFX, Rancid, Bad Religion, Social Distortion, and many others, renowned music writer Ian Winwood at last gives this significant, substantive, and compelling story its due. Punk rock bands were never truly successful or indeed truly famous, and that was that -- until it wasn't. *Smash!* is the story of how the underdogs finally won and

forever altered the landscape of mainstream music.

And The Band Played on *Macmillan*

An examination of the AIDS crisis exposes the federal government for its inaction, health authorities for their greed, and scientists for their desire for prestige in the face of the AIDS pandemic.

The Minutemen's Double Nickels on the Dime *A&C Black*

This book sheds some light on the band's remarkable music and, on this particular album, the blending of several styles into something that will never be replicated.

Gimme Something Better *Penguin*

An oral history of the modern punk-revival's West Coast Birthplace Outside of New York and London, California's Bay Area claims the oldest continuous punk-rock scene in the world. *Gimme Something Better* brings this outrageous and influential punk scene to life, from the notorious final performance of the Sex Pistols, to Jello Biafra's bid for mayor, the rise of Maximum RocknRoll magazine, and the East Bay pop-punk sound that sold millions around the globe. Throngs of punks, including members of the Dead Kennedys, Avengers, Flipper, MDC, Green Day, Rancid, NOFX, and AFI, tell their own stories in this definitive account, from the innovative art-damage of San Francisco's Fab Mab in North Beach, to the still vibrant all-ages DIY ethos of Berkeley's Gilman Street. Compiled by longtime Bay Area journalists Jack Boulware and Silke Tudor, *Gimme Something Better* chronicles more than two decades of punk music,

progressive politics, social consciousness, and divine decadence, told by the people who made it happen.

American Hardcore (Second Edition) *Feral House*

"American Hardcore sets the record straight about the last great American subculture"—Paper magazine Steven Blush's "definitive treatment of Hardcore Punk" (Los Angeles Times) changed the way we look at Punk Rock. The Sony Picture Classics-distributed documentary American Hardcore premiered at the 2006 Sundance Film Festival. This revised and expanded second edition contains hundreds of new bands, thirty new interviews, flyers, a new chapter ("Destroy Babylon"), and a new art gallery with over 125 rare photos and images.

Time Flies When You're in a Coma *Penguin*

A collection of quotes from heavy metal songs.

The Better Angels of Our Nature *Penguin Books*

Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

Chuck D Presents This Day in Rap and Hip-Hop History *Black Dog & Leventhal*

A one-of-a kind survey of rap and hip hop history from 1973 to today by Chuck D, arguably the most influential rapper in the world. In the more than 40 years since the days of DJ Kool Herc and "Rapper's Delight," hip hop and rap have become a billion-

dollar worldwide phenomenon. Yet there is no definitive history of the genre-until now. Based on Chuck's long-running show on Rapstation.com, this massive compendium details the most iconic moments and influential songs in the genre's recorded history, from Kurtis Blow's "Christmas Rappin'" to The Miseducation of Lauryn Hill to Kendrick Lamar's ground-breaking verse on "Control." Also included are key events in hip hop history, from Grandmaster Flash's first scratch through Tupac's holographic appearance at Coachella. Throughout, Chuck offers his insider's perspective on the chart toppers and show stoppers as he lived it. Illustrating the pages are more than 100 portraits from the talented artists specializing in hip hop.

Cinderella's Big Score *Seal Press*

Offers a tribute to women in the hard-edged underground music scene, including The Slits, The Plasmatics, I7, Sleater-Kinney, and Le Tigre.

Comedy at the Edge *Bloomsbury Publishing USA*

Surveys the stand-up comedy of the 1970s, citing the contributions of celebrity comics, from George Carlin and Richard Pryor to Robin Williams and Andy Kaufman, in an account that also evaluates the roles played by such clubs as Catch a Rising Star, the Improv, and the Comedy Store.

Broken Horses *Crown*

#1 NEW YORK TIMES BESTSELLER • The critically acclaimed singer-songwriter, producer, and six-time Grammy winner opens up about faith, sexuality, parenthood, and a life shaped by music

in “one of the great memoirs of our time” (Glennon Doyle, author of *Untamed*). NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR AND AUTOSTRADDLE • “The best-written, most engaging rock autobiography since her childhood hero, Elton John, published *Me*.”—Variety Brandi Carlile was born into a musically gifted, impoverished family on the outskirts of Seattle and grew up in a constant state of change, moving from house to house, trailer to trailer, fourteen times in as many years. Though imperfect in every way, her dysfunctional childhood was as beautiful as it was strange, and as nurturing as it was difficult. At the age of five, Brandi contracted bacterial meningitis, which almost took her life, leaving an indelible mark on her formative years and altering her journey into young adulthood. As an openly gay teenager, Brandi grappled with the tension between her sexuality and her faith when her pastor publicly refused to baptize her on the day of the ceremony. Shockingly, her small town rallied around Brandi in support and set her on a path to salvation where the rest of the misfits and rejects find it: through twisted, joyful, weird, and wonderful music. In *Broken Horses*, Brandi Carlile takes readers through the events of her life that shaped her very raw art—from her start at a local singing competition where she performed Elton John’s “Honky Cat” in a bedazzled white polyester suit, to her first break opening for Dave Matthews Band, to many sleepless tours over fifteen years and six studio albums, all while raising two children with her wife, Catherine Shepherd. This hard-won success led her to collaborations with personal heroes like Elton John, Dolly Parton, Mavis Staples, Pearl Jam, Tanya Tucker, and Joni Mitchell, as well as her peers in the supergroup The Highwomen, and ultimately to

the Grammy stage, where she converted millions of viewers into instant fans. Evocative and piercingly honest, *Broken Horses* is at once an examination of faith through the eyes of a person rejected by the church’s basic tenets and a meditation on the moments and lyrics that have shaped the life of a creative mind, a brilliant artist, and a genuine empath on a mission to give back.

Cool Town *UNC Press Books*

In the summer of 1978, the B-52's conquered the New York underground. A year later, the band's self-titled debut album burst onto the Billboard charts, capturing the imagination of fans and music critics worldwide. The fact that the group had formed in the sleepy southern college town of Athens, Georgia, only increased the fascination. Soon, more Athens bands followed the B-52's into the vanguard of the new American music that would come to be known as “alternative,” including R.E.M., who catapulted over the course of the 1980s to the top of the musical mainstream. As acts like the B-52's, R.E.M., and Pylon drew the eyes of New York tastemakers southward, they discovered in Athens an unexpected mecca of music, experimental art, DIY spirit, and progressive politics—a creative underground as vibrant as any to be found in the country's major cities. In Athens in the eighties, if you were young and willing to live without much money, anything seemed possible. *Cool Town* reveals the passion, vitality, and enduring significance of a bohemian scene that became a model for others to follow. Grace Elizabeth Hale experienced the Athens scene as a student, small-business owner, and band member. Blending personal recollection with a historian's eye, she reconstructs the networks of bands, artists,

and friends that drew on the things at hand to make a new art of the possible, transforming American culture along the way. In a story full of music and brimming with hope, Hale shows how an unlikely cast of characters in an unlikely place made a surprising and beautiful new world.

Rock to Recovery *Around the Way Publishing, LLC*

Tens of thousands of Americans die from substance abuse and suicide each year. Millions more suffer from mental health disorders. Rock to Recovery -- an innovative, therapeutic music program serving more than one hundred addiction treatment and mental health facilities in the USA -- steps into the breach to offer participants help and hope. By writing, playing, and recording music as a group, non-musicians are able to build a community of support, find enthusiasm for treatment, and realize that recovery is possible. Veterans, trauma survivors, and those struggling with substance abuse or mental health issues can recover with connection. This book contains eighteen stories of people who have used Rock to Recovery's music program to live a better life. You too can use music to heal. "Music Is the Medicine!"

The Story of Crass *ReadHowYouWant*

In-depth interviews with the main movers in the punk rock movement - Crass members Penny Rimbaud, Gee Vaucher, and Steve Ignorant - detail the face of the revolution founded by these radical thinkers and artists. When punk ruled the waves, Crass waived the rules by putting out their own records, films, and magazines and setting up a series of situationist pranks that were dutifully covered by the world's press. Not just another

iconoclastic band, Crass was a musical, social, and political phenomenon; commune dwellers that were rarely photographed and remained contemptuous of conventional pop stardom. As detailed in this history, their members explored and finally exhausted the possibilities of punk-led anarchy. This definitive biography of the band not only gives backstage access to their lives, philosophies, and the movement that followed, but also to never-before-seen photographs and rare dialogues.

Love Goes to Buildings on Fire *Macmillan*

Chronicles five epochal years of music in the Big Apple against a backdrop of the period's high crime, limited government resources and low rents, tracing the formations of key sounds while evaluating the contributions of such artists as Willie Colón, Bruce Springsteen and Grandmaster Flash.

Death to Trad Rock

History of the "post-post-punk scene" of the 80s.

Henry & Glenn Forever & Ever *Microcosm Publishing*

Two men. Two myths. One legend. The greatest love story ever told has finally been released in graphic novel form, featuring 20 short stories about the domestic life of "Henry" and "Glenn" and sometimes their neighbors "Daryl" and "John." Glenn deals with issues with his mother while Henry, "a loud guy with a good work ethic," shows his darker side and indifference to a fan as he drinks black coffee and bonds with Glenn over their distaste for their own bands. These are two men who truly suffer best together. The book collects four serialized comics, adds 100

never-before published pages, including new stories, pin up art, and full color covers from the original series.
