This book portrays a great insight into the British fighting forces against Japan. Often referred to as the forgotten 14th Army, it illustrates the struggles and hardships endured, alongside absolute courage and determination to win through. The book is well written and provides a truthful and accurate account of how it was.

Conditions were appalling and the fighting was extremely bitter by any standards. His Battalion was cut off by the Japs for three weeks but refused to surrender yet even worse was to come as the Battalion was thrown into the thick of the action at Kohima which is rated as the most desperate defensive action for the campaign.

A marvellously detailed account of warfare right at the cutting edge - prior to and through World War II - through the eyes of an officer who participated in operations against recalcitrant tribesmen in Waziristan, and then swung to the other edge of the spectrum, fighting Japanese in the dense forests of the Arakan and then in the hills of Kohima.
