Goodness and the Literary Imagination

Harvard's 95th Ingersoll Lecture with Essays on Morrison's Moral and Religious Vision *University of Virginia Press*

What exactly is goodness? Where is it found in the literary imagination? Toni Morrison, one of American letters' greatest voices, pondered these perplexing questions in her celebrated Ingersoll Lecture, delivered at Harvard University in 2012 and published now for the first time. Perhaps because it is overshadowed by the more easily defined evil, goodness often escapes our attention. Recalling many literary examples, from Ahab to Coetzee's Michael K, Morrison seeks the essence of goodness and ponders its significant place in her writing. She considers the concept in relation to unforgettable characters from her own works of fiction and arrives at conclusions that are both eloquent and edifying. In a lively interview conducted for this book, Morrison further elaborates on her lecture's ideas, discussing goodness not only in literature but in society and history—particularly black history, which has responded to

centuries of brutality with profound creativity. Morrison's essay is followed by a series of responses by scholars in the fields of religion, ethics, history, and literature to her thoughts on goodness and evil, mercy and love, racism and self-destruction, language and liberation, together with close examination of literary and theoretical expressions from her works. Each of these contributions, written by a scholar of religion, considers the legacy of slavery and how it continues to shape our memories, our complicities, our outcries, our lives, our communities, our literature, and our faith. In addition, the contributors engage the religious orientation in Morrison's novels so that readers who encounter her many memorable characters such as Sula, Beloved, or Frank Money will learn and appreciate how Morrison's notions of goodness and mercy also reflect her understanding of the sacred and the human spirit.

Paradise *Vintage Books*

"They shoot the white girl first. With the rest they can take their time." So begins Toni Morrison's *Paradise*, which opens with a horrifying scene of mass violence and chronicles its genesis in an all-black small town in rural Oklahoma. Founded by the descendants of freed slaves and survivors in exodus from a hostile world, the patriarchal community of Ruby is built on righteousness, rigidly enforced moral law, and fear. But seventeen miles away, another group of exiles has gathered in a promised land of their own. And it is upon these women in flight from death and despair that nine male citizens of Ruby will lay their pain, their terror, and their murderous rage. In prose that soars with the rhythms, grandeur, and tragic arc of an epic poem, Toni Morrison challenges our most fiercely held beliefs as she weaves folklore and history, memory and myth into an unforgettable meditation on race, religion, gender, and a far-off

past that is ever present.

Seminar paper from the year 2003 in the subject American Studies - Literature, grade: 1,3 (A), University of Paderborn, 15 entries in the bibliography, language: English, abstract: The novel is needed by African-Americans now in a way that it was not needed before - and it is following along the lines of the function of novels everywhere. We don't live in places where we can hear those stories anymore; parents don't sit around and tell their children those classical, mythological, archetypal stories that we heard years ago. But new information has got to get out, and there are several ways to do it. One is the novel. With this statement Toni Morrison clearly suggests the function of her novel Song of Solomon. That is, on the one hand, the preservation of traditional Afro-American folktales and on the other hand their adaptation to contemporary times. Realizing this double function, it is very challenging to make the analysis of the

mythological character of the novel the topic of a seminar paper. Song of Solomon is spiritually grounded in the folktale “People who could fly”, an Afro-American folktale, which depicts the escape of a community of slaves by taking flight. Therefore I will center my analysis on the motif of “flight” in the novel, presenting different ways of interpretation. First of all, I will point out the function of myth in Song of Solomon. In the third chapter I will concentrate on the folktale “People who could fly”, comparing it with Toni Morrison's narration about Solomon. Being the focal point of this seminar paper, the discussion of the motif of “flight” follows in the fourth part. It deals with the connection between the motif of “flight”, which turns up time and again in Milkman's life, and Milkman's search for his identity. Moreover I will point out Pilate's role in Milkman's quest for his cultural heritage. The last chapter contains a discussion of the different modes of “flight” and their significance.

Being Brought from Africa to America - The Best of Phillis Wheatley *Read Books Ltd*

Phillis Wheatley (c. 1753–1784) was an American freed slave and poet who wrote the first book of poetry by an African-American. Sold into a slavery in West Africa at the age of around seven, she was taken to North America where she served the Wheatley family of Boston. Phillis was tutored in reading and writing by Mary, the Wheatleys' 18-year-old daughter, and was reading Latin and Greek classics from the age of twelve. Encouraged by the progressive Wheatleys who recognised her incredible literary talent, she wrote “To the University of Cambridge” when she was 14 and by 20 had found patronage in the form of Selina Hastings,

Countess of Huntingdon. Her works garnered acclaim in both England and the colonies and she became the first African American to make a living as a poet. This volume contains a collection of Wheatley's best poetry, including the titular poem "Being Brought from Africa to America". Contents include: "Phillis Wheatley", "Phillis Wheatley by Benjamin Brawley", "To Maecenas", "On Virtue", "To the University of Cambridge", "To the King's Most Excellent Majesty", "On Being Brought from Africa to America", "On the Death of the Rev. Dr. Sewell", "On the Death of the Rev. Mr. George Whitefield", etc. Ragged Hand is proudly publishing this brand new collection of classic poetry with a specially-commissioned biography of the author.

The Source of Self-Regard

Selected Essays, Speeches, and Meditations *Vintage*

NATIONAL BESTSELLER • Here is the Nobel Prize winner in her own words: a rich gathering of her most important essays and speeches, spanning four decades that "speaks to today's social and political moment as directly as this morning's headlines" (NPR). These pages give us her searing prayer for the dead of 9/11, her Nobel lecture on the power of language, her searching meditation on Martin Luther King Jr., her heart-wrenching eulogy for James Baldwin. She looks deeply into the fault lines of culture and freedom: the foreigner, female empowerment, the press, money, "black matter(s)," human rights, the artist in society, the Afro-American presence in American literature. And she turns her incisive critical eye to her own work (*The Bluest Eye*, *Sula*, *Tar Baby*, *Jazz*, *Beloved*, *Paradise*) and that of others. An essential

collection from an essential writer, *The Source of Self-Regard* shines with the literary elegance, intellectual prowess, spiritual depth, and moral compass that have made Toni Morrison our most cherished and enduring voice.

Selected Short Stories *Modern Library*

William Faulkner was a master of the short story. Most of the pieces in this collection are drawn from the greatest period in his writing life, the fifteen or so years beginning in 1929, when he published *The Sound and the Fury*. They explore many of the themes found in the novels and feature characters of small-town Mississippi life that are uniquely Faulkner's. In "A Rose for Emily," the first of his stories to appear in a national magazine, a straightforward, neighborly narrator relates a tale of love, betrayal, and murder. The vicious family of the Snopes trilogy turns up in "Barn Burning," about a son's response to the activities of his arsonist father. And Jason and Caddy Compson, two other inhabitants of Faulkner's mythical Yoknapatawpha County, are witnesses to the terrorizing of a pregnant black laundress in "That Evening Sun." These and the other stories gathered here attest to the fact that Faulkner is, as Ralph Ellison so aptly noted, "the greatest artist the South has produced."

The Chaneyville Incident

A Novel *Open Road Media*

"Rivals Toni Morrison's *Song of Solomon* as the best novel about the black experience in America since Ellison's *Invisible Man*" (The Christian Science Monitor). Winner of the PEN/Faulkner Award for Fiction and Finalist for the National Book Award Brilliant but troubled historian John Washington has left Philadelphia, where he is employed by a major university, to return to his hometown of Chaneyville, just north of the Mason-Dixon Line. He is there to care for Old Jack, one of the men who helped raise him when he was growing up on the Hill, an old black neighborhood in the little Pennsylvania town—but he also wants to learn more about the death of his father. What he discovers is that his father, Moses Washington, who was supposedly illiterate, left behind extensive notes on a mystery he was researching: why thirteen escaped slaves reached freedom in Chaneyville only to die there, for reasons forgotten or never known at all. A story of

personal discovery and historical revelation, *The Chaneyville Incident* explores the power of our pasts. Based in part on actual events, this extraordinary novel was described by the Los Angeles Times as "perhaps the most significant work by a new black male author since James Baldwin dazzled in the early '60s with his fine fury," and placed David Bradley in the front ranks of contemporary American authors.
