'Lectures on the Philosophy of History' by G. W. F. Hegel | Book Discourse

Introduction The Philosophy Of Historiography

Introduction: The Philosophy of Historiography. This book studies our knowledge of history,

its nature, historical development, epistemic limits, and scope. In ordinary language “history” is ambiguous. It may mean past events or the study of past events (Dray, 1993, p. 1). In its original Greek *historia* is etymologically related to the verb “to see” and consequently to inquiry and knowledge. In other languages, “history” means a story (Le Goff, 1992, pp. 101–3).

Introduction: The Philosophy of Historiography

Philosophy of history, the study either of the historical process and its development or of the methods used by historians to understand their material. The term history may be

employed in two quite different senses: it may mean (1) the events and actions that together make up the human past, or

Philosophy of history | Britannica

Philosophy of history is the philosophical study of history and its discipline. The term was coined by French philosopher Voltaire. In contemporary philosophy a distinction has developed between speculative philosophy of history and critical philosophy of history, now referred to as analytic. The former questions the meaning and purpose of the historical process whereas the latter studies the foundations and implications of history and the historical method. The names of

these are derived from C

Philosophy of history - Wikipedia

Philosophy of History- M.C. Lemon
2003-08-29 Philosophy of History is an essential introduction to a vast body of writing about history, from classical Greece and Rome to the modern world. M.C. Lemon maps out key debates and central concepts of philosophy of history, placing principal thinkers in the context of their times and schools of thought.

Introduction The Philosophy Of Historiography ...

Hegel's Philosophy of History is an interesting work about the course of world history. Although the text itself is long, I find

that the most important details of his perspective on history are explained in his introduction before being applied and illustrated through various events in history.

Introduction To The Philosophy Of History:

Amazon.co.uk ...

W. H. Walsh's Philosophy of History (Walsh 1960 [1951]), first published in 1951 and revised in 1960, is an open-minded and well grounded effort to provide an in-depth presentation of the field that crosses the separation between continental and analytical philosophy. The book attempts to treat both major questions driving much of the philosophy of history: the nature of

historical knowledge and the possibility of gaining “metaphysical” knowledge about history.

Philosophy of History (Stanford Encyclopedia of Philosophy)

'This is the broadest and most updated introduction to the philosophy of history on sale. It is written very clearly and would be an ideal basic textbook for introductions to the philosophy of history and historical methodology.' Dr Aviezer Tucker, School of Politics, Philosophy and International Relations, Queens University, Belfast

The Philosophy of History: An Introduction: Amazon.co.uk ...

Introduction to “The Philosophy of History” In his development of his views on human history, Hegel’s debt to Kant is evident. Kant had claimed in his essay, “Idea for a Universal History with a Cosmopolitan Aim,” published in 1784, that there is a sense in which we can think of human history as advancing towards an rational end.

G.W.F. Hegel, Philosophy of History, pdf (full-text) Ebook ...

Introduction The subject of this course of Lectures is the Philosophical History of the World. And by this must be understood, not a collection of general observations respecting it, suggested by the study of its records, and

proposed to be illustrated by its facts, but Universal History itself.

Introduction to the Philosophy of History

Historiography is the study of the methods of historians in developing history as an academic discipline, and by extension is any body of historical work on a particular subject. The historiography of a specific topic covers how historians have studied that topic using particular sources, techniques, and theoretical approaches.

Historiography - Wikipedia

This text comprises Hegel's introduction to a series of lectures on the "philosophy of history." As an

introduction, the text lays out only the general outline of Hegel's method of "philosophic history"--any details tend to be about theoretical entities and concepts, and there are very few direct analyses of historical periods or events.
