Management Plan –
165 Portland Road,
London, W11 4LR 1.

Introduction The purpose of this Construction Management Plan (“the Plan”) at this planning stage is to outline our approach to managing the execution of the proposals to create the client a modern home suitable for growing family living.

Construction Management Plan

Construction planning should be a major concern in the development of facility designs, in the preparation of cost estimates, and in

forming bids by contractors. Unfortunately, planning for the construction of a facility is often treated as an after thought by design professionals.
