This book by Charles Cleveland, Benjamin Jensen, Susan Bryant, and Arnel David calls for the rethinking of how the U.S. national security community approaches population-centric warfare and strategic competition in the 21st century. Strategic advantage in the 21st century will emerge from mapping human geography in a connected world, leveraging key relationships, and applying a mix of unconventional and conventional methods that put adversaries on the horns of a dilemma.

Military policy, Mahan believed, must remain closely attuned to worldwide economic and political conditions. Finally, Mahan advocated an honest assessment of potential threat risks to fundamentally inform national debates on policy, strategy, and defense budgets. 21st Century Mahan is a "must-read" for today's military and naval professionals. Students of public policy and history (military, political, and diplomatic) will find Armstrong's work especially enlightening.
