Survey of Historic Costume

A History of Western Dress *Fairchild Books*

This bestseller brings the authors' analysis of Western dress up to date and adds a number of new features. Survey of Historic Costume, 4th Edition, is a basic text for readers who want an overview and chronology of costume, discussing the dress of each era within its historical, cultural and economic contexts.

Survey of Historic Costume *A&C Black*

In the Preface of the 5th Edition of Survey of Historic Costume, Tortora and Eubank conclude with the following: "In the history of dress at the beginning of the 21st century, costume might be compared to a constantly moving river. This river divides into many narrower channels that separate, cross, come together, and separate again, and yet that river continually moves on." Building on the previous editions, the authors update their analysis of Western dress to 2008. Survey of Historic Costume has, from its beginnings, taken seriously the need to accompany the text with appropriate illustrations and the major change in the 5th Edition is the move to full color throughout the book to enrich the text and the concepts. Perfect for anyone interested in historic costume, fashion, textiles, drama, and design, this beautifully illustrated book is full of interesting facts and commentary.New to this Edition:-- Over 500 four-color photographs and illustrations-- Updated text to 2008-- Additional influences from one period or civilization to another, including influences from other cultures-- Index - updated and organized to be utilized as glossary with terms defined and page numbers printed in boldface-- Instructor's Guide provides sources for visuals, websites, teaching strategies and evaluation techniques-- PowerPoint® Presentation contains interactive visual presentation with links to Internet

Survey of Historic Costume *Bloomsbury Publishing USA*

The Study Guide also provides students with a

complete glossary of key terms used throughout the text.

Adorned in Dreams

Fashion and Modernity *Rutgers University Press*

When *Adorned in Dreams* was first published in 1985, Angela Carter described the book as "the best I have read on the subject, bar none." From haute couture to haberdashery, "deviant" dress to Dior, Elizabeth Wilson traces the social and cultural history of fashion and its complex relationship to modernity. She also discusses fashion's vociferous opponents, from the "dress reform" movement to certain strands of feminism. Wilson delights in the power of fashion to mark out identity or subvert it. This brand new edition of her book follows recent developments to bring the story of fashionable dress up to date, exploring the grunge look inspired by bands like Nirvana, the "boho chic" of the mid 90's, retro-dressing, and the meanings of dress from the veil to soccer player David Beckham's pink-varnished toenails.

Survey of Historic Costume Coloring Book *Fairchild Books*

The Survey of Historic Costume Coloring Book highlights Western dress from the ancient world to today through fashion silhouettes. By coloring line drawings that parallel chapters from the Survey of Historic Costume, 7th Edition textbook, students will learn to identify and retain specific details that make each historical period's fashion unique. Each chapter also includes activities and prompts to promote further thinking and creativity, including tasks like drawing and making modern-day connections. Through these dynamic, hands-on exercises, students will develop an understanding of historic costume, increase awareness of world culture, and have fun through this interactive learning medium.

Survey of historic costume

a history of Western dress

Folk and Festival Costume

A Historical Survey with Over 600 Illustrations *Courier Corporation*

A treasury of ethnic dress, this book ranges from the Amish of Pennsylvania to the Zulu of South Africa. Alphabetical entries cover more than 150 countries and regions, each represented by six or more illustrations. Six hundred drawings include images of men, women, and children. Captions describe the costumes and their associated traditions.

The Mode in Costume

A Historical Survey with 202 Plates *Courier Corporation*

The pursuit of style has prompted centuries of dramatic change in fashion. From the togas of ancient Rome to the gorgeous gowns of Dior, this lavishly illustrated, thoroughly researched treasury examines men's, women's, and children's clothing — plus accessories — from 3000 B.C. to 1958. An essential handbook.

Dress, Fashion and Technology

From Prehistory to the Present *Bloomsbury Publishing*

Technology has been an essential factor in the production of dress and the cultures of fashion throughout human history. Structured chronologically from prehistory to the present day, this is the first broad study of the complex relationship between dress and technology. Over the course of human history, dress-making and fashion technology has changed beyond recognition: from needles and human hands in the ancient world to complex 20th-century textile production machines, it has now come to include the technologies that influence dress styles and the fashion industry, while fashion itself may drive aspects of technology. In the last century, new technologies such as the electronic media and high-tech manufacturing have helped not just to produce but to define fashion: the creation of automobiles prompted a decline in long skirts for women while the beginnings of space travel caused people to radically rethink the function of dress. In many ways, technology has itself created avant garde and contemporary fashions. Through an impressive range of international case studies, the book challenges the perception that fashion is unique to western dress and outlines the many ways in which dress and technology intersect. Dress, Fashion and Technology is ideal reading for students and scholars of fashion studies, textile history, anthropology and cultural studies.

The Guide to Historic Costume *B. T. Batsford Limited*

This is essentially a guide to items of historical dress in British Museum collections. However since there is more surviving historical costume in this country than anywhere else in the world, it doubles as a dictionary of costume, providing information on where to find a specific garment.

The dictionary now includes coverage of sustainability, smart materials, new technologies, and processes. This book has been reorganized in a purely alphabetical order for easy reference. Lavishly illustrated with over 800 illustrations capturing the styles and details of fashion, this reference work is a must have for students, designers, fashion merchandisers, librarians, and fashion enthusiasts. The fifth edition also includes online availability to vocabulary and image flashcards via STUDIO for easy on-the-go access.

Surgical Instrumentation - eBook

An Interactive Approach *Elsevier Health Sciences*

Take your understanding to a whole new level with Pageburst digital books on VitalSource! Easy-to-use, interactive features let you make highlights, share notes, run instant topic searches, and so much more. Best of all, with Pageburst, you get flexible online, offline, and mobile access to all your digital books. With hundreds of detailed, full-color photographs of common surgical instruments, Surgical Instrumentation: An Interactive Approach, 2nd Edition makes it easier to learn the identification, purpose, and set up of instruments for surgical procedures. Many photos include close-up views of the instrument tip, so you can quickly discern differences between instruments. Interactive resources on Evolve let you rotate key instruments 360 degrees for viewing from any angle, zoom in to examine the tip or zoom out to reveal the entire instrument, and also include flash cards, timed memory exercises, Mayo stand set up quizzes, and animations of large and small

fragmentation sets. Written for surgical technologists by surgical technology educator Renee Nemitz, this resource offers a level of visual clarity and realism unmatched by any other surgical instrument book! More than 600 full-color, high-quality photographs help you learn the most common surgical instruments for all surgical procedures. Consistent instrument monographs include the name, common name, category, use (type of surgery and where on the body), cautions relating to safety or patient care, and other details such as regional name variations. Student resources on the Evolve companion website include all of the images from the text, additional 360-degree views and close-ups of over 100 instruments, animations of large and small fragment sets, and timed recall exercises for practice in learning instruments. Close-up photos of more than 100 instruments show the details of each tip, demonstrating variations and making it easier to identify each surgical instrument. Presentation of two or fewer illustrations per page makes it easier to see the details of each instrument. Enhanced flash cards and quizzes on the Evolve companion website allow you to review instruments by chapter or to randomize your review with instruments from the entire text. Alternative names are added to the book’s index for easier lookup of instruments whose names have regional variations. Enhanced quizzes on Evolve are available as Practice or Test options, and results may be printed out for submission to instructors.

A Survey of Historic Costume

Instructor's Guide *Fairchild Books*

The latest edition of this bestseller brings the authors' analysis of Western dress through 1996 and adds a number of new features. Survey of Historic Costume is a basic text for readers who want an overview and chronology of costume, discussing the dress of each era within its historical, cultural, and economic contexts. Instructor's Guide provides information about the sources of supplementary slide and video materials, as well as suggested teaching strategies and evaluative techniques.

A Survey of Historic Costume

The Dangers of Fashion

Towards Ethical and Sustainable Solutions *Bloomsbury Publishing*

From sweatshops to fur farming, from polluting chemicals to painful garments, the fashion industry is associated with activities which have had devastating effects on workers, consumers, and the natural world. This ground-breaking volume provides a framework for examining the ethical, social, and environmental dangers that arise as fashion products are designed, manufactured, distributed, and sold within retail outlets, before being consumed and disposed of. Encompassing the cultural, psychological, and physiological aspects of fashion, it offers a comprehensive exploration of the hazards of a global industry. Drawing together an international team of leading textile and apparel experts, The Dangers of Fashion presents original perspectives on a wide range of topics from piracy and counterfeiting to human trafficking; from the effects of globalization on local industry to the peer pressure that governs contemporary ideals of beauty. Rooted in research into industry and consumer practices, it discusses innovative solutions-both potential and existing-to fashion's dangers and moral dilemmas from the viewpoint of individuals, companies, societies, and the global community.

The Dynamics of Fashion *Fairchild Books*

This text provides the foundation for a wide range of careers in the fashion business. Incorporating the experience of the author and her five earlier editions of Fashion Merchandising: An Introduction, this book covers product development, home fashions, retailing strategies, and examines how communication trends and technological advances impact the fashion world.

How to Read a Dress

A Guide to Changing Fashion from the 16th to the 21st Century *Bloomsbury Publishing*

Fashion is ever-changing, and while some styles mark a dramatic departure from the past, many exhibit subtle differences from year to year that are not always easily identifiable. With overviews of each key period and detailed illustrations for each new style, How to Read a Dress is an appealing and accessible guide to women's fashion across five centuries. Each entry includes annotated color images of historical garments, outlining important features and highlighting how styles have developed over time, whether in shape, fabric choice, trimming, or undergarments. Readers learn how garments were constructed and where their inspiration stemmed from at key points in history – as well as how dresses have varied in type, cut, detailing and popularity according to the occasion and the class, age and social status of the wearer. This new edition includes additional styles to illustrate and explain the journey between one style and another; larger images to allow closer investigation of details of dress; examples of lower and working-class, as well as middle-class, clothing; and a completely new chapter covering the 1980s to 2020. The latter demonstrates how the late 20th century and early 21st century firmly left the dress behind as a requirement, but retained it as a perennially popular choice and illustrates how far the traditional boundaries of 'the dress' have been pushed (even including reference to a newly non-binary appreciation of the garment), and the intellectual shifts in the way women's fashion is both inspired and inspires. With these new additions, How to Read a Dress, revised edition, presents a complete and up-to-date picture of 'the dress' in all its forms, across the centuries, and taking into account different sartorial and social experiences. It is the ideal tool for anyone who has ever wanted to know their cartridge pleats from their Récamier ruffles. Equipping the reader with all the information they need to 'read' a dress, this is the ultimate guide for students, researchers, and anyone interested in historical fashion.

Clothing in 17th-Century Provincial England *Bloomsbury Publishing*

Featuring detailed analyses of clothing culture in 17th-century provincial Sussex, this original study draws on previously unexploited sources to create an intimate and nuanced portrait of people and their clothes. An introductory chapter uses 17th-century literature to identify and explore contemporary ideas about clothing, the individual and society, as well as the relationship between

London and the provinces and the causes and consequences of conspicuous clothing consumption. Subsequent chapters look at the production, distribution and acquisition of clothing in Sussex and the participation of consumers in these processes; the role of London as a centre of fashionable clothing consumption and the experience of wealthier consumers in shopping there; the clothing worn by individual men, women and older children of the 'middle' and 'better' sort and the extent to which they participated in contemporary, London-driven, fashion culture. A final chapter examines the clothing worn by the poor, including vagrants, parish paupers and the 'labouring' poor. With over 40 images Clothing in 17th-Century Provincial England offers a new window onto early modern experiences of clothing.

Artifacts from American Fashion *ABC-CLIO*

Clothing and fashion accessories can serve as valuable primary sources for learning about our history. This unique book examines daily life in twentieth-century America through the lens of fashion and clothing. • Provides readers with an understanding of American history through artifacts of clothing • Offers readers the option to read self-contained entries individually or in chronological order for a unique perspective of a given decade from multiple points of view • Shows how clothing can be used as an educational tool to understand the real-life experiences of peoples of the past • Presents hard facts and information on complex topics like war and politics, as well as entertainment histories • Ties large historical events and movements to individuals living in those times, both famous and "everyday"

A SURVEY OF HISTORIC COSTUME;BY...& KEITH EUBANK.

Fashion, History, Museums

Inventing the Display of Dress *Bloomsbury Publishing*

This book is available as open access through the Knowledge Unlatched programme and is available on www.bloomsburycollections.com. "A remarkable resource for the field of fashion studies suitable for both newcomers ... {and] seasoned practitioners." - Fashion Historia "A precious source in the study of the subject ... inspiring." - The Journal of Dress History The last decade has seen the growing popularity and visibility of fashion as a cultural product, including its growing presence in museum exhibitions. This book explores the history of fashion displays, highlighting the continuity of past and present curatorial practices. Comparing and contrasting exhibitions from different museums and decades-from the Paris Exposition Universelle of 1900 to the Alexander McQueen Savage Beauty show at the Metropolitan Museum of Art in 2011, and beyond-it makes connections between museum fashion and the wider fashion industry. By critically analyzing trends in fashion exhibition practice over the 20th and early 21st centuries, Julia Petrov defines and describes the varied representations of historical fashion within British and North American museum exhibitions. Rooted in extensive archival research on exhibitions by global leaders in the field-from the Victoria and Albert and the Bath Fashion Museum to the Brooklyn and the Royal Ontario Museums-the work reveals how fashion exhibitions have been shaped by the values and anxieties associated with fashion more generally. Supplemented by parallel critical approaches, including museological theory, historiography, body theory, material culture, and visual studies, Fashion, History, Museums demonstrates that in an increasingly corporate and mass-mediated world, fashion exhibitions must be analysed in a comparative and global context. Richly illustrated with 70 images, this book is essential reading for students and scholars of fashion history and museology, as well as curators, conservators, and exhibition designers.

The Fairchild Books Dictionary of Textiles *Bloomsbury Publishing USA*

This seminal text demystifies all the terminology around working with textiles today, providing definitions of processes, techniques, features, and even some historical terms that you need to know. The dictionary now includes coverage of sustainability, smart materials and biobased textiles, intelligent and 3D manufacturing, new technologies, and processes. Entries cover fibers, fabrics, laws and regulations affecting textile materials and processing, inventors of textile technology, and business and trade terms relevant to textiles. Highly illustrated with over 400 images, entries include pronunciation, derivation, definition, and uses. The ninth edition also includes online availability to vocabulary and image flashcards via STUDIO for easy on-the-go access.

Pictorial Encyclopedia of Historic Costume

1200 Full-Color Figures *Courier Corporation*

Ranging from the elegant garments worn by citizens of ancient Egypt, Greece, and Rome to the dramatic clothing of nineteenth-century French, English, and German societies, this stunning pictorial encyclopedia chronicles the full sweep of historic dress through the centuries. Carefully gathered from a rare portfolio originally published in 1906, over one thousand detailed engravings are presented here in a continuous chronological format. An unparalleled history of costume design, this collection includes the garb of kings and laborers ... ladies and warriors ... peasants and priests. Scores of accessories are also illustrated, including shoes, jewelry, wigs, and hair ornaments, along with furniture, musical instruments, and weaponry from a fascinating array of time periods. Exquisitely rendered and magnificent in scope, the Pictorial Encyclopedia of Historic Costume is a visual delight for designers, artists, historians, and everyone captivated by fashion's timeless allure.
