Our Choice: A Plan to Solve the Climate Crisis (App) App Store. Our Choice will change the way we read books. And quite possibly change the world. In this interactive app, former Vice President Al Gore surveys the causes of global warming and presents groundbreaking insights and solutions already under study and underway that can help stop the unfolding disaster of global warming.

Our Choice: A Plan to Solve the Climate Crisis (App) — Al Gore

Our Choice is equally divided between explaining renewable energy and explaining the changes that must take place in society if we are to mitigate the climate change threat. These societal changes, and the changes in our group thinking that

must accompany them, are discussed in detail in many essays on this Human Journey website. Some people have despaired at the enormity of the threat of climate change, but despair only serves the goals of those who would profit by our inaction.
