instructions clear and simple. It can be tempting when addressing a class of students, especially ones that you've only just met, to explain activities in your politest language.

7 tips for teaching English to beginners

A holistic approach to language sees it as a whole, which is not divisible in a meaningful way for teaching. This contrasts with an atomistic approach to language, which attempts to analyse language into parts, such as grammatical structures or functional exponents, which can later become the content of a syllabus. A holistic approach would focus on everything the learner needs to know to ...
