Car Speaker Fit Guide Crutchfield

To see which speakers fit your vehicle, we've disassembled the door panels of tens of thousands of vehicles, measured the spaces where the factory speakers fit, and loaded our findings into Crutchfield's massive fit database. Our system then compares these measurements to the dimensions of a given speaker to see if it will fit in the factory cavity.

Find what fits your car - Crutchfield

If you're interested in component speakers in the front, the factory locations will fit 5-1/4" woofers using brackets. The easiest way to choose speakers for your vehicle is to use our

vehicle selector to confirm which speakers will fit your car and get some info on what else is needed for the installation. Or just give us a call!

Crutchfield made the same promises then as they do now: we'll tell you what will fit your car, you can install it, we'll give you everything you need, and you can call us any time you need help. These days they've just added a web site and a bunch of new product lines, but their company philosophy has never wavered.
