IES 1 serves the public interest by addressing issues relating to the provision of sufficient numbers of high-quality aspiring professional accountants. It does this by setting out principles for entry requirements for professional accounting education programs that are neither too high (causing unnecessary barriers to entry to the profession), nor too low (causing individuals to believe falsely they have a likelihood of completing the education successfully).

Part IES 1: Entry Requirements to Professional Accounting

...

IES files are programmed with the Photometric data from a particular light, including brightness and direction of light throw. Yes, once loaded you can alter some of these settings in your light, but be warned that they can revert back to what is stored in the file.
