Public Interest guidelines and standards provide psychologists with the rationale and guidance for advancing multiculturalism, diversity, and social justice in psychological education, research, practice. APA Guidelines for Psychological Practice for People with Low-Income and Economic Marginalization Up for review in approximately 2029.

APA-Approved Standards and Guidelines

GAINESVILLE, Fla. (AP) — Advice from the top U.S. disease control experts on how to safely reopen businesses and institutions during the coronavirus pandemic was more detailed and restrictive than the plan released by the White House last month. The guidance, which was shelved by Trump administration officials, also offered recommendations to help communities decide when to shut facilities down again during future flareups of COVID-19.

AP Exclusive: CDC guidance more restrictive than White House

The Benefits of AP High school students across the country and around the world take AP courses and exams to challenge themselves, explore their interests, and earn college credit and placement. AP can give you:
