Are any of the religious conceptions of an afterlife promising from a philosophical point of view? There are five sections in this entry. In the first, we propose that beliefs about death and the possibility of an afterlife are of enduring significance because of our care for persons here and now, and thus our concern for their future and our own.

Afterlife (Stanford Encyclopedia of Philosophy)

In Mesopotamian conceptions of the afterlife, life did not end after physical death but continued in the form of an eṭemmu, a spirit or ghost dwelling in the netherworld. Further, physical death did not sever the relationship between living and deceased but reinforced their bond through a new set of mutual obligations.
