Anxiety and Phobia Workbook

ReadHowYouWant.com

Research conducted by the National

Institute of Mental Health has shown that anxiety disorders are the number one mental health problem among American women and are second only to alcohol and drug abuse among men. Approximately 15 percent of the population of the United States, or nearly 40 million people, have suffered from panic attacks, phobias, or other anxiety disorders in the past year. Nearly a quarter of the adult population will suffer from an anxiety disorder at some time during their life. Yet only a small proportion of these people receive treatment..... It is quite possible to overcome your problem with panic, phobias, or anxiety on your own through the use of the strategies and exercises presented in this workbook. Yet it is equally valuable and appropriate, if you

feel so inclined, to use this book as an adjunct to working with a therapist or group treatment program.

The Mindfulness and Acceptance Workbook for Anxiety

A Guide to Breaking Free from Anxiety, Phobias, and Worry Using Acceptance and Commitment Therapy *New Harbinger Publications*

Is anxiety and fear a problem for you? Have you tried to win the war with your anxious mind and body, only to end up feeling frustrated, powerless, and stuck? If so, you're not alone. But there is a way forward, a path into genuine happiness, and a way back into living the kind of life you so desperately want. This workbook will help you get started on this new journey today! Now in its second edition, *The Mindfulness and Acceptance Workbook for Anxiety* offers a new approach to your anxiety, fears, and your life. Within its pages, you'll find a powerful and tested set of tools and strategies to help you gain freedom from fear, trauma, worry, and all the many manifestations of anxiety and fear. The book offers an empowering approach to help you create the kind of life you so

desperately want to live. Based on a revolutionary approach to psychological health and wellness called acceptance and commitment therapy (ACT), this fully revised and updated second edition offers compelling new exercises to help you create the conditions for your own genuine happiness and peace of mind. You'll learn how your mind can trap you, keeping you stuck and struggling in anxiety and fear. You'll also discover ways to nurture your capacity for acceptance, mindfulness, kindness, and compassion, and use these qualities to weaken the power of anxiety and fear so that you can gain the space to do what truly matters to you. Now is the time. Nobody chooses anxiety. And there is no healthy way to "turn off" anxious thoughts and feelings like a light switch.

But you can learn to break free from the shackles of anxiety and fear and take back your life. The purpose of this workbook is to help you do just that. Your life is calling on you to make that choice, and the skills in this workbook can help you make it happen. You can live better, more fully, and more richly with or without anxiety and fear. This book will show you the way. -- Recent studies support for the effectiveness of ACT-based self-help workbooks as a low-cost treatment for people experiencing anxiety. (Ritzert, T., Forsyth, J. P., Berghoff, C. R., Boswell, J., & Eifert, G. H. (2016). The Anxiety Workbook for Kids

Take Charge of Fears and Worries Using the Gift of Imagination *New Harbinger Publications*

Anxiety in children is on the rise, and recent research has uncovered a link between highly imaginative children and

anxiety. Using engaging illustrations and fun activities based in cognitive behavioral therapy (CBT), one of the most proven-effective and widely used forms of therapy today, this Instant Help workbook presents a unique approach to help children harness the power of their imaginations to reduce anxiety and build self-esteem. Millions of children suffer from anxiety, which can be extremely limiting, causing kids to miss school, opt out of activities with friends, and refuse to speak or participate in a variety of situations. Furthermore, children who are diagnosed with anxiety or brought into therapy often feel embarrassed about not being "normal." Focusing on the problem of anxiety can stress kids out and make them feel ashamed. But when the focus is on their strengths and

their vivid imaginations, children are empowered to face their anxiety head-on. The Anxiety Workbook for Kids is a fun and unique workbook grounded in evidence-based CBT and designed to help children understand their anxious thoughts within a positive framework—a perspective that will allow kids to see themselves as the highly imaginative individuals they are, and actually appreciate the role imagination plays in their anxiety. With this workbook, children will learn that, just as they are capable of envisioning vivid scenarios that fuel their anxiety, they are capable of using their imagination to move away from anxious thoughts and become the boss of their own worries. With engaging CBT-based activities, games, and illustrations—and with a focus on

imagination training and developing skills like problem solving, assertiveness, positive thinking, body awareness, relaxation, and mindfulness—this book will help kids stand up to worry and harness the power of their imagination for good.

The Generalized Anxiety Disorder Workbook

A Comprehensive CBT Guide for Coping with Uncertainty, Worry, and Fear *New Harbinger Publications*

The Generalized Anxiety Disorder Workbook offers a powerful, comprehensive new approach to treating generalized anxiety disorder (GAD). If you have GAD, you may experience excessive and uncontrollable worry about daily life events, including your finances, family, health, future, and even minor concerns like traffic, work, or

household issues. You aren't alone. GAD is one of the most commonly diagnosed mental health issues facing our society today. Unfortunately, this chronic condition can cause such excessive worrying that it can be difficult to live your life—and can even manifest in a number of physical symptoms, including sleep and concentration problems, fatigue, irritability, and feelings of restlessness. So, how can you take charge of your anxiety before it takes over your life? Based in cognitive behavioral therapy (CBT), this book provides real, proven-effective solutions. Written by three renowned anxiety experts, the book offers practical exercises and strategies to help soothe your worst worries, fears, and panic. The book focuses on what most often leads

you to worry—the fear of uncertainty. In a nutshell, people with GAD worry as a way of mentally planning and preparing for any outcome that life throws their way. With this book, you'll learn to stop seeing uncertainty as threatening—which will in turn, reduce your anxiety and instill a sense of calm. If you're ready to stop letting your worries get the better of you, this easy-to-use workbook will help you—one step at a time.

The CBT Anxiety Solution Workbook

A Breakthrough Treatment for Overcoming Fear, Worry, and Panic *New Harbinger Publications*

You are stronger than your anxiety! In this important workbook, best-selling authors Matthew McKay, Patrick Fanning, and Michelle Skeen offer a breakthrough anxiety solution based in cognitive behavioral therapy (CBT) to help you understand and overcome your fears and worries, rather than try to avoid them. If you suffer from an anxiety

disorder, you may try to avoid situations that cause you to feel worry, fear, or panic. You may even believe that terrible things will happen to you if you face the things that make you anxious. But avoidance isn't a long-term solution, and in the end it may result in more anxiety. This book shows you how the simple belief that you can endure your worries and fears—both mentally and physically—can be an extremely powerful treatment. Using a breakthrough approach combining proven-effective CBT and exposure therapy, this workbook helps you understand how worry and rumination drive anxiety, and offers practical exercises to help you adopt new habits of observing your thoughts, rather than accepting them as the “ultimate truth.”

You'll also develop mindfulness and self-soothing coping skills to help you manage anxiety in the moment, rather than avoid it. Over time these practices will show you that you are more powerful than your anxiety. If you've been stuck in a cycle of anxiety and avoidance, this workbook will help you make the changes you need to get your life back. This book has been selected as an Association for Behavioral and Cognitive Therapies Self-Help Book Recommendation—an honor bestowed on outstanding self-help books that are consistent with cognitive behavioral therapy (CBT) principles and that incorporate scientifically tested strategies for overcoming mental health difficulties. Used alone or in conjunction with therapy, our books offer powerful

tools readers can use to jump-start changes in their lives.

Irreversible Damage**The Transgender Craze Seducing Our Daughters** *Simon and Schuster*

NAMED A BOOK OF THE YEAR BY THE ECONOMIST AND ONE OF THE BEST BOOKS OF 2021 BY THE TIMES AND THE SUNDAY TIMES "Irreversible Damage . . .

has caused a storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, *The Times of London* Until just a few years ago, gender dysphoria—severe discomfort in one's biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as "transgender." These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the

internet community of trans “influencers.” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls’ social

status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier’s essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.

Don't Believe Everything You Feel

A CBT Workbook to Identify Your Emotional Schemas and Find Freedom from Anxiety and Depression *New Harbinger Publications*

Find lasting freedom from difficult emotions with skills grounded in cognitive behavioral therapy (CBT) and emotional schema therapy. If you struggle with difficult emotions, you should know that you aren't alone. Many people feel sad, worried, or stressed out—whether as a result of depression, anxiety, or simply dealing with the common struggles of daily life. Emotions are a natural and healthy part of being human. It's how we cope with these difficult emotions that reveal our true capacity for happiness, love, and joy. *Don't Believe Everything You Feel* offers a groundbreaking approach blending CBT and emotional schema therapy to help you explore your own deeply held personal beliefs about emotions, determine if these beliefs are helpful or

harmful, and find the motivation to adopt alternative, healthier coping strategies. Each chapter contains exercises such as self-assessment, expressive writing, or guided questioning to help you manage your emotions more productively. There's no such thing as a

"bad," emotion. But if you're experiencing sadness, anger, or anxiety most of the time, you need to find balance. This book will show you how to better cope with your emotions and live a full, meaningful life.
