Crime And Society In England

Acknowledged as one of the best introductions to the history of crime in the eighteenth and nineteenth centuries, *Crime and Society in England 1750-1900* examines the developments in policing, the courts, and the penal system as England became increasingly industrialised and urbanised. The book challenges the old but still influential idea that crime can be attributed to the behaviour of a criminal class and that changes in the criminal justice system were principally the work of far-sighted ...
