### Institutional Barriers To Sustainable Urban Transport In ...

The suspicion arises that it is not technical factors but institutional factors that underlie the fact that as yet sustainable construction has failed to force a definitive breakthrough. The authors review to what extent institutions that influence the decisionmaking of players in the building sector regarding whether or not to apply sustainable construction have hindered improvement in sustainable construction.

**Sustainability planning: pushing against institutional ...**  
This book presents an investigation of the institutional barriers preventing the development of a new vision for urban transport compatible with these realities and in those terms 'sustainable'. Through an examination of transport planning in Australia, the book challenges conventional wisdom by showing, through original research, how 'car dependence' is as much an institutional as a technical phenomenon.
