Animal helpline. 03000 999 999. Report concerns FAQs. If you wish to report an injured or distressed animal, please call our animal helpline on the number shown above. As we are not able to rehome animals right now, please don't call us if that's what you are enquiring about, so our helpline team can assist those with animals in urgent need. x

Animal Wise | SSPCA

A celebration of animal intelligence in its many forms. Last week, British parents who had hidden their child's gender from the world finally revealed that their five year old, now ready to enter school, is a boy. While the parents had hoped to raise their son Sasha in a gender-neutral way ("Stereotypes seem fundamentally stupid.

AnimalWise | A celebration of animal intelligence in its ...

Animal Wise takes us on a dazzling odyssey into the inner world of animals and among the pioneering researchers who are leading the way into once-uncharted territory: the animal mind. Morell uses her formidable gifts as a storyteller to transport us to field sites and laboratories around the world, introducing us to animal-cognition scientists and their surprisingly intelligent and sensitive subjects.

Animal Wise: How We Know Animals Think and Feel: Amazon.co ...

Animal Wise, written by science journalist Virginia Morell, is an engaging book describing current research in animal cognition. The science has come a long way in the past sixty years since Jane Goodall began to study chimpanzees in what is now the Gombe Stream National Park along the shores of Lake Tanganyika in Tanzania .

The animal expert site - AnimalWised

A "wise old owl" in a 1940s poster from the War Production Board When anthropomorphising an

animal there are stereotypical traits which commonly tend to be associated with particular animal species.

Stereotypes of animals - Wikipedia

The relationship between mankind and the natural world is a key issue for this century. Human activities come into more and more conflict with those of other species. Animal welfare should therefore be central in the sustainability debate. AnimalWise will have an increasing role to play in determining and shaping human attitudes towards animals in general and domesticated species in particular.

AnimalWise

Animal Wise is a spinoff of a 2008 article the author wrote for National Geographic about how animals think. As you read through Morell's conversations with some of the top researchers in the biological sciences, you cannot help but feel slightly envious.

Book Review: Animal Wise | The Bark

All traditions taught the significance of Nature - particularly of the animals crossing our paths, whether we are awake or dreaming. The Animal-Wise Tarot aims to develop your intuition, strengthen your connection to the animal world and to find the answers to questions in life.
