Pylon Faulkner

Pylon is a novel by the American author William Faulkner. Published in 1935, Pylon is set in New Valois, a fictionalized version of New Orleans. It is one of Faulkner's few novels set outside Yoknapatawpha County, his favorite fictional setting. Pylon is the story of a group of barnstormers whose lives are thoroughly unconventional.

Pylon (novel) - Wikipedia

Faulkner is my favorite writer, but Pylon isn't very good. I would have given it two and a half stars if I could, and only that because I felt the last chapter redeemed the novel to some extent. I will add, however, that I would gladly read Pylon three more times before reading Mosquitoes again. flag 1 like · Like · see review
