 Introduction on Critical Disability Studies

A Comparative Analysis Of Disability

Although identifying vulnerable groups is an important step in
 shaping appropriate and efficient policies for targeting
 populations of disabled people, it remains a challenge. This study
 aims to evaluate for the first time the comparability of the

different disability measurements used in Cameroon. This is done
 by comparing them with the international standards proposed by
 the Washington Group ...

A comparative analysis of disability measures in ...

The aim of this study is to compare the disability measure used
 by the national representative surveys to those used by two
 regional study that have used the WG screening. Understanding
 what is measured by these surveys, generally used for policy
 recommendation formulations, will help to better interpret
 eventual results drawn from these studies and question their
 comparability.
