List of solo piano compositions by Joseph Haydn - Wikipedia
Two of Haydn's sonatas, the Sonatas in C major and E flat major (Hoboken XVI: 50 and 52), were not written for students, but for Therese Jansen, a leading pianist in London who had studied with Clementi. Haydn composed them in 1794-1795, during his second visit to the English capital. The two sonatas give evidence not only of Jansen's formidable technique, but of the more powerful sonority of the English piano in comparison to its German and Austrian counterparts.
