Uneven Growth

Following the same model as the critically acclaimed Rising Currents: Projects for New York's Waterfront and Foreclosed: Rehousing the American Dream, Uneven Growth brings together an international group of scholars, practitioners, and experts of architecture and urbanism in a series of workshops, an exhibition, and a publication to focus on how emergent forms of tactical urbanism can address the increasing inequality of urban development around the globe.

Uneven Growth: Tactical Urbanisms for Expanding Megacities ...

Uneven Growth seeks to challenge current assumptions about the relationships between formal and informal, bottom-up and top-down urban development, and to address potential changes in the roles architects and urban designers might assume vis-à-vis the increasing inequality of current urban development. The resulting proposals, which will be presented at MoMA in November 2014, will consider how emergent forms of tactical urbanism can respond to alterations in the nature of public space ...
