Who really built America? - Liberation News

Who Built America? offers a unique synthesis of U.S. history that draws upon the best scholarship on “ordinary” Americans – artisans, slaves, small proprietors, tenant farmers, women working in the home, and factory, white-collar, and service workers – and integrates their stories

into a full picture of the nation’s historical development.

Who Built America? | ASHP/CML

Who Built America? Working People and the Nation’s History presents history from the perspective of working men and women, pairing a lively narrative with extensive visual and written documentary evidence. For the third edition (2008, Bedford/St. Martin’s), the authors restructured the chapters to make Who Built America? a more teachable textbook. This new arrangement is designed to help students more easily read the narrative and grasp the essential concepts and conflicts of American ...
