Guide

Understand that no one gun can do everything well. While there are a few double-duty handguns suitable for both home defense or concealed carry, it's best for new owners to determine their handgun's single most critical function and let that guide the selection. Step 2: Choosing Between a Semi-Automatic or a Revolver

A revolver offers simple and reliable use with a trade-off for the number of rounds you can carry. A semi-auto provides more bullets in the gun but includes more working parts and a greater chance of having a malfunction (a jam) that would require additional knowledge and skill. Most people will never need a firearm for self-protection.

Guide for First Time Gun Buyers: Defense and What Gun to ...

In my experience, a gun with a 4-5-inch barrel is the perfect tool for the newbie because it's easier to handle and can be fired with ease due to the recoil being absorbed by the gun's

mass. A full size handgun can be good for beginners because it has a larger area of grip and a wider sight radius from front to rear sight.
