The Best Interests Of The

Different things matter to each of us. We must consider what is in the best interests of this individual, in the light of their personality, history, and values. People are all very different: look around your own family or your staff group, and you'll identify real differences in what makes people happy, or in what they would hate to be made to do.

Best Interests: What are they, and how do we work out what ...

The placing of the best interests of the child as a 'primary consideration' recognises that the best interests of the child have to be balanced against other interests. For example the best interests of two individual children might be in conflict, or acting solely in the best interests of one child might prejudice the rights of others. It is unlikely however that the commercial interests of an organisation will outweigh a child's right to privacy. Why is this important?

1. Best interests of the child | ICO

Summary. The best interests principle in the Mental Capacity Act 2005 (the Act) states that any act done or decision made on behalf of an adult lacking capacity must be in their best interests. This can cover financial, health and social care decisions. The person making

the decision is the "decision-maker" and is likely to be the person caring for the patient on a day-to-day basis, the doctor or other member of the healthcare staff responsible for carrying out the particular treatment ...
