Critical Reading in Higher Education - Glen Ryland ...

Since reading is comprehension, students who cannot acceptably reconstruct the author's main idea, supporting ideas and supporting facts as well as some critical evaluation of those things, cannot read for

the purposes of their course, regardless of what types of material they read outside of class.

Reading and writing skills in higher education: lecturers

...

Critical thinking has emerged as an essential higher education learning

outcome for both external audiences focused on issues of accountability and for colleges and universities themselves. One of the most recent national efforts to respond to accountability pressures, the Voluntary System of Accountability (VSA), requires campuses to use one of three
