The Ultimate Guide to Leadership Skills – What Makes a Good Leader There are many elements to look at when deciding what type of leader you want to be. Indeed, a quick search on Google gives a large variety of articles on Leadership Skills. However, still many questions on the topic are unanswered.

Leadership Skills | Ultimate Guide | Find Out More Now!

This article attempts to explain how leadership has an effect on student learning and what the essential ingredients of successful leadership are. The authors suggest that leadership is second only to teaching in its impact on student-learning. They argue that high-quality leaders best impact students by: Setting directions. Establishing a clear vision and using sense making to track progress.

How Leadership Influences Student Learning | Inflexion

Bringing together internationally recognised scholars this book focuses on the relationship between leadership and learning for the education community. It draws together a wealth of knowledge and research in the field across a variety of contexts, such as system leadership, professional learning communities and leading different cultures.
