Concepts such as self-efficacy, secure attachments, social support, social justice, and economic development, though exports to non-western settings, are relevant to both minority and majority world cultures, even if the words used to describe these aspects of children's lives are not indigenous to the cultures in which the terms are used (Johnson-Powell and Yamamoto, 1997). Caution, however ...

Resilience across Cultures | The British Journal of Social ...

enabled us to gain multiple perspectives on the culture change. In particular, we were able to contrast the views of those implementing the change, referred to as change agents, with staff's experience of working within the new culture. Within each case study we examine: • the organisation background • the chief drivers of culture change

Developing organisation culture Six case studies

The culture of Egypt is beyond just the Pharaohs. It is a complex blend of many cultures of the world which resulted from the complex process of cultural diffusion and cultural assimilation.

There is a whole gamut of intricacies which lend the culture of

Egypt a mystic touch, which can be cracked only after a detailed study.
