The Road *Vintage*

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there.

They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

A New Kind of Christianity *Harper Collins*

"Some books provide us with information about the world, but every once in a while a book appears that enables us to imagine new, more wonderful worlds. [A New Kind of Christianity] is one of these." —Peter Rollins, Ikon A New Kind of Christianity is Brian D. McLaren's much anticipated follow-up to his breakthrough work of the emergent-church movement, A New Kind of Christian. Named by Time magazine as one of America's top 25 evangelicals, McLaren, along with such contemporaries as N.T. Wright, Jim Wallis, and Rob Bell, is one of the acknowledged leaders of a new generation of Christians who want to update their faith for current times while remaining true to the core message of Jesus. In this controversial and thought-provoking book, McLaren explores the questions that will determine the shape of Christianity for the next 500 years.

Tough Call

Life is full of tough calls and daunting decisions. The question isn't if you'll face

a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, *Tough Call*, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. *Tough Call* is an enjoyable and essential read for any and all facing a major decision.

Farsighted Penguin

The hardest choices are also the most consequential. So why do we know so little about how to get them right? Big, life-altering decisions matter so much more than the decisions we make every day, and they're also the most difficult: where to live, whom to marry, what to believe, whether to start a company, how to end a war. There's no one-size-fits-all approach for addressing these kinds of conundrums. Steven Johnson's classic *Where Good Ideas Come From* inspired creative people all over the world with new ways of thinking about innovation. In *Farsighted*, he uncovers powerful tools for honing the important

skill of complex decision-making. While you can't model a once-in-a-lifetime choice, you can model the deliberative tactics of expert decision-makers. These experts aren't just the master strategists running major companies or negotiating high-level diplomacy. They're the novelists who draw out the complexity of their characters' inner lives, the city officials who secure long-term water supplies, and the scientists who reckon with future challenges most of us haven't even imagined. The smartest decision-makers don't go with their guts. Their success relies on having a future-oriented approach and the ability to consider all their options in a creative, productive way. Through compelling stories that reveal surprising insights, Johnson explains how we can most effectively approach the choices that can chart the course of a life, an organization, or a civilization. *Farsighted* will help you imagine your possible futures and appreciate the subtle intelligence of the choices that shaped our broader social history.

This Road We Traveled Revell

Drama, Adventure, and Family Struggles Abound as Three Generations Head West on the Oregon Trail When Tabitha Brown's son makes the fateful decision to leave Missouri and strike out for Oregon, she refuses to be left behind. Despite her son's concerns, Tabitha hires her own wagon to join the party. Along with her reluctant daughter and her ever-hopeful granddaughter, the intrepid Tabitha has her misgivings. But family ties are stronger than fear. The trials they face along the way will severely test Tabitha's faith, courage, and ability to hope. With her family's survival on the line, she must make the ultimate sacrifice, plunging deeper into the

wilderness to seek aid. What she couldn't know was how this frightening journey would impact how she understood her own life--and the greater part she had to play in history. With her signature attention to detail and epic style, New York Times bestselling author Jane Kirkpatrick invites readers to travel the deadly and enticing Oregon Trail. Based on actual events, *This Road We Traveled* will inspire the pioneer in all of us.

Traffic *Vintage Canada*

Driving is a fact of life. We are all spending more and more time on the road, and traffic is an issue we face everyday. This book will make you think about it in a whole new light. We have always had a passion for cars and driving. Now *Traffic* offers us an exceptionally rich understanding of that passion. Vanderbilt explains why traffic jams form, outlines the unintended consequences of our attempts to engineer safety and even identifies the most common mistakes drivers make in parking lots. Based on exhaustive research and interviews with driving experts and traffic officials around the globe, *Traffic* gets under the hood of the quotidian activity of driving to uncover the surprisingly complex web of physical, psychological and technical factors that explain how traffic works.

Unearthing Seeds of Fire *John F Blair Pub*

A history of the Highlander Folk School of Ozone, Tennessee, of its founder Myles Horton, and of its efforts in teaching adults how to advance the causes of labor organizing civil rights, and anti-poverty programs

Faith After Doubt *St. Martin's*

Essentials

From the author of *A New Kind of Christianity* comes a bold proposal: only doubt can save the world and your faith. ONE of the Best Spiritual Books of 2021—Spirituality & Practice "Will help you live fuller and breathe easier.." —Glennon Doyle Sixty-five million adults in the U.S. have dropped out of active church attendance and about 2.7 million more are leaving every year. *Faith After Doubt* is for the millions of people around the world who feel that their faith is falling apart. Using his own story and the stories of a diverse group of struggling believers, Brian D. McLaren, a former pastor and now an author, speaker, and activist shows how old assumptions are being challenged in nearly every area of human life, not just theology and spirituality. He proposes a four-stage model of faith development in which questions and doubt are not the enemy of faith, but rather a portal to a more mature and fruitful kind of faith. The four stages—Simplicity, Complexity, Perplexity, and Harmony—offer a path forward that can help sincere and thoughtful people leave behind unnecessary baggage and intensify their commitment to what matters most.

The Daily Show (The Book) *Grand Central Publishing*

NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and

garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Lincoln Highway *Penguin*

#1 NEW YORK TIMES BESTSELLER A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post and Barack Obama as a Best Book of the Year "Wise and wildly entertaining . . . permeated with light, wit, youth." —The New York Times

Book Review "A classic that we will read for years to come." —Jenna Bush Hager, Read with Jenna book club "A real joyride . . . elegantly constructed and compulsively readable." - NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes.

Out of the Dust (Scholastic Gold)
Scholastic Inc.

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

Why Did Jesus, Moses, the Buddha, and Mohammed Cross the Road?
Hachette UK

When four religious leaders walk across the road, it's not the beginning of a joke. It's the start of one of the most important conversations in today's world. Can you be a committed Christian without having to condemn or convert people of other faiths? Is it possible to affirm other religious traditions without watering down your own? In his most important book yet, widely acclaimed author and speaker Brian McLaren proposes a new faith alternative, one built on "benevolence and solidarity rather than rivalry and hostility." This way of being Christian is strong but doesn't strong-arm anyone, going beyond mere tolerance to vigorous hospitality toward, interest in, and collaboration with the other. Blending history, narrative, and brilliant insight, McLaren shows readers step-by-step how to reclaim this strong-benevolent faith, challenging us to stop creating barriers in the name of God and learn how affirming other religions can strengthen our commitment to our own. And in doing so, he invites Christians to become more Christ-like than ever before.

Until We Reckon *The New Press*

"Profoundly necessary." —Michelle Alexander, New York Times columnist and author of *The New Jim Crow* In the eloquent tradition of Bryan Stevenson's *Just Mercy*, an award-winning leader in the movement to end mass incarceration takes on the vexing problem of violent crime. Although over half the people incarcerated in America today have committed violent offenses, the focus of reformers has been almost entirely on nonviolent and drug offenses. Danielle Sered's brilliant and groundbreaking *Until We Reckon* steers directly and unapologetically into the question of violence, offering approaches that will help end mass incarceration and increase safety. Widely recognized as one of the leading proponents of a restorative approach to violent crime, Sered asks us to reconsider the purposes of incarceration and argues persuasively that the needs of survivors of violent crime are better met by asking people who commit violence to accept responsibility for their actions and make amends in ways that are meaningful to those they have hurt—none of which happens in the context of a criminal trial or a prison sentence. Sered launched and directs Common Justice, one of the few organizations offering alternatives to incarceration for people who commit serious violent crime and which has produced immensely promising results. Critically, Sered argues that the reckoning owed is not only on the part of those who have committed violence, but also by our nation's overreliance on incarceration to produce safety—at great cost to communities, survivors, racial equity, and the very fabric of our democracy.

Justice Farrar, Straus and Giroux

A renowned Harvard professor's brilliant, sweeping, inspiring account of the role of justice in our society--and of the moral dilemmas we face as citizens What are our obligations to others as people in a free society? Should government tax the rich to help the poor? Is the free market fair? Is it sometimes wrong to tell the truth? Is killing sometimes morally required? Is it possible, or desirable, to legislate morality? Do individual rights and the common good conflict? Michael J. Sandel's "Justice" course is one of the most popular and influential at Harvard. Up to a thousand students pack the campus theater to hear Sandel relate the big questions of political philosophy to the most vexing issues of the day, and this fall, public television will air a series based on the course. Justice offers readers the same exhilarating journey that captivates Harvard students. This book is a searching, lyrical exploration of the meaning of justice, one that invites readers of all political persuasions to consider familiar controversies in fresh and illuminating ways. Affirmative action, same-sex marriage, physician-assisted suicide, abortion, national service, patriotism and dissent, the moral limits of markets—Sandel dramatizes the challenge of thinking through these conflicts, and shows how a surer grasp of philosophy can help us make sense of politics, morality, and our own convictions as well. Justice is lively, thought-provoking, and wise—an essential new addition to the small shelf of books that speak convincingly to the hard questions of our civic life.

The Sum of Us *One World*

NEW YORK TIMES BESTSELLER •
 LONGLISTED FOR THE NATIONAL BOOK
 AWARD • One of today's most insightful
 and influential thinkers offers a powerful

exploration of inequality and the lesson that generations of Americans have failed to learn: Racism has a cost for everyone—not just for people of color. WINNER OF THE PORCHLIGHT BUSINESS BOOK AWARD • ONE OF THE BEST BOOKS OF THE YEAR: Time, The Washington Post, St. Louis Post-Dispatch, Ms. magazine, BookRiot, Library Journal • LONGLISTED FOR THE ANDREW CARNEGIE MEDAL • “This is the book I’ve been waiting for.”—Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* Heather McGhee’s specialty is the American economy—and the mystery of why it so often fails the American public. From the financial crisis of 2008 to rising student debt to collapsing public infrastructure, she found a root problem: racism in our politics and policymaking. But not just in the most obvious indignities for people of color. Racism has costs for white people, too. It is the common denominator of our most vexing public problems, the core dysfunction of our democracy and constitutive of the spiritual and moral crises that grip us all. But how did this happen? And is there a way out? McGhee embarks on a deeply personal journey across the country from Maine to Mississippi to California, tallying what we lose when we buy into the zero-sum paradigm—the idea that progress for some of us must come at the expense of others. Along the way, she meets white people who confide in her about losing their homes, their dreams, and their shot at better jobs to the toxic mix of American racism and greed. This is the story of how public goods in this country—from parks and pools to functioning schools—have become private luxuries; of how unions collapsed, wages stagnated, and

inequality increased; and of how this country, unique among the world's advanced economies, has thwarted universal healthcare. But in unlikely places of worship and work, McGhee finds proof of what she calls the Solidarity Dividend: the benefits we gain when people come together across race to accomplish what we simply can't do on our own. *The Sum of Us* is not only a brilliant analysis of how we arrived here but also a heartfelt message, delivered with startling empathy, from a black woman to a multiracial America. It leaves us with a new vision for a future in which we finally realize that life can be more than a zero-sum game.

The Road Less Travelled *Random House*

'Life is difficult. This is a great truth, one of the greatest truths.' A timeless classic in personal development, *The Road Less Travelled* is a landmark work that has inspired millions. Drawing on the experiences of his career as a psychiatrist, Scott Peck combines scientific and spiritual views to guide us through the difficult, painful times in life by showing us how to confront our problems through the key principles of discipline, love and grace. Teaching us how to distinguish dependency from love, how to become a more sensitive parent and how to connect with your true self, this incredible book is the key to accepting and overcoming life's challenges and achieving a higher level of self-understanding.

Even with the love of family, threats lurk around every corner. And when those threats become all too real, the trio knows they have no choice but to run: from their country, from their families, from their beloved home. Crossing from Guatemala through Mexico, they follow the route of La Bestia, the perilous train system that might deliver them to a better life--if they are lucky enough to survive the journey. With nothing but the bags on their backs and desperation drumming through their hearts, Pulga, Chico, and Pequeña know there is no turning back, despite the unknown that awaits them. And the darkness that seems to follow wherever they go. In this striking portrait of lives torn apart, the plight of migrants at the U.S. southern border is brought to light through poignant, vivid storytelling. An epic journey of danger, resilience, heartache, and hope. Praise for *We Are Not From Here*: "A fierce and tender story...Relevant, timely, and perceptive." --Margarita Engle, winner of the Pura Belpré Award and Newbery Honor "With poignant, exhausting lyricism and heart wrenching poetic prose, Jenny Torres Sanchez digs deep and shows us the throbbing, aching corazón--the hopeful, unbreakable spirit of the embattled immigrant. A book for the starving, lost soul." --Guadalupe García McCall, Pura Belpré Award-winning author of *Under the Mesquite* "An incredibly powerful, soul-searing YA. [I]mportant and

necessary.... I could not put this book down." --Padma Venkatraman, award-winning author of *The Bridge Home* "One of the most relevant and needed young adult novels of the year, a must-read." --Jennifer Mathieu, critically acclaimed author of *The Liars of Mariposa Island* and *Moxie* "An achingly beautifully story...masterfully told...Jenny Torres Sanchez is a true leader within young adult fiction." --Christina Diaz Gonzalez, award-winning author of *The Red Umbrella* "We Are Not From Here is absolutely stunning. It's raw and real, gritty and gorgeously told. A story that's painfully relevant today, and told with such precision and beauty, you can feel it. It's breathtaking and left me absolutely breathless." --Lauren Gibaldi, author of *This Tiny Perfect World* "[This] is a book that will mark your heart. Jenny Torres Sanchez challenges us to feel, empathize and understand. A searing, necessary and ultimately beautiful book." --Alexandra Villasante, critically acclaimed author of *The Grief Keeper* * "A brutally honest, not-to-be-missed narrative...gripping, heart-wrenching, and thrilling." --Kirkus Reviews, STARRED REVIEW * "A candid, realistic story that will leave readers thinking about the characters--and about our own world--long after the last page." --SLJ, STARRED REVIEW * "Gripping, poignant...this soul-shaking narrative [recalls] the works of Gabriel García Márquez." --Booklist, STARRED REVIEW * "A devastating read that is difficult to put down, this unforgettable book unflinchingly illuminates the experiences of those leaving their homes to seek safety in the United States." --Publishers Weekly, STARRED REVIEW

A Generous Orthodoxy *Zondervan*

A confession and manifesto from a

senior leader in the emerging church movement. A *Generous Orthodoxy* calls for a radical, Christ-centered orthodoxy of faith and practice in a missional, generous spirit. Brian McLaren argues for a post-liberal, post-conservative, post-protestant convergence, which will stimulate lively interest and global conversation among thoughtful Christians from all traditions. In a sweeping exploration of belief, author Brian McLaren takes us across the landscape of faith, envisioning an orthodoxy that aims for Jesus, is driven by love, and is defined by missional intent. A *Generous Orthodoxy* rediscovers the mysterious and compelling ways that Jesus can be embraced across the entire Christian horizon. Rather than establishing what is and is not "orthodox," McLaren walks through the many traditions of faith, bringing to the center a way of life that draws us closer to Christ and to each other. Whether you find yourself inside, outside, or somewhere on the fringe of Christianity, A *Generous Orthodoxy* draws you toward a way of living that looks beyond the "us/them" paradigm to the blessed and ancient paradox of "we."

The Paulo Freire Reader *Burns & Oates*

With *Pedagogy of the Oppressed* (more than 600,000 copies sold), Paulo Freire established his place in the universal history of education. Since the appearance of that book, Continuum has published six other volumes by the famed Brazilian educator. Freire's untimely death in 1997 leaves these writings to carry on his revolutionary message: one of hope, one of the heart. The *Paulo Freire Reader* includes the best of the best. It draws from *Pedagogy*

of Hope, Pedagogy of the City, Pedagogy of the Heart, Learning to Question, and Pedagogy in Process, in addition to other writings that appear for the first time.

The Road to Home *Simon and Schuster*

Vartan Gregorian's tale starts with a childhood of poverty, deprivation, and enchantment in the Armenian quarter of Tabriz, Iran. As the world reeled from depression into six years of warfare, his mother died, leaving his grandmother Voski as the loving staff of his life. Through unlettered example and instruction, he learned about the first of his many worlds: the strenuousness required for survival, the fairy tale that explained existence, the place and name of his own star in the night sky, how to maneuver as a member of a Christian minority in a benevolent Muslim kingdom, the beauty and inspiration of Armenian Church liturgy, the exciting foreign world of ten-year-old American westerns, the richness of life on the streets. He learned the magic of the innumerable worlds he could find in books -- and he wanted to visit them all. As the spell books cast on him grew more powerful, so did the constraints imposed by his father's indifference to his dreams of redirecting his life through learning. So, one day when he was fifteen years old, he presented himself at an Armenian-French lycee in Beirut, Lebanon, to start the arduous task of becoming a person of learning and consequence. This book tells not only how he reached that school but also about the many people who guided, supported, taught, and helped him on an extravagantly absorbing and varied journey from Tabriz to Beirut to Palo Alto to Tenaflly to London, from Stanford University to San Francisco State University to the University of Texas at

Austin to the University of Pennsylvania to the New York Public Library to Brown University and, currently, to the presidency of Carnegie Corporation of New York. With witty stories and memorable encounters, Dr. Gregorian describes his public and private lives as one education after another. He has written a love story about life.

All American Boys *Simon and Schuster*

When sixteen-year-old Rashad is mistakenly accused of stealing, classmate Quinn witnesses his brutal beating at the hands of a police officer who happens to be the older brother of his best friend. Told through Rashad and Quinn's alternating viewpoints.

Pedagogy of the Oppressed

Hope in the Dark *Haymarket Books*

"[A] landmark book . . . Solnit illustrates how the uprisings that begin on the streets can upend the status quo and topple authoritarian regimes" (Vice). A book as powerful and influential as Rebecca Solnit's *Men Explain Things to Me*, her *Hope in the Dark* was written to counter the despair of activists at a moment when they were focused on their losses and had turned their back to the victories behind them—and the unimaginable changes soon to come. In it, she makes a radical case for hope as a commitment to act in a world whose future remains uncertain and unknowable. Drawing on her decades of activism and a wide reading of environmental, cultural, and political history, Solnit argues that radicals have a long, neglected history of transformative victories, that the positive consequences of our acts are not always immediately seen, directly knowable, or even measurable, and that

pessimism and despair rest on an unwarranted confidence about what is going to happen next. Now, with a moving new introduction explaining how the book came about and a new afterword that helps teach us how to hope and act in our unnerving world, she brings a new illumination to the darkness of our times in an unforgettable new edition of this classic book. "One of the best books of the 21st century." —The Guardian "No writer has better understood the mix of fear and possibility, peril and exuberance that's marked this new millennium." —Bill McKibben, New York Times bestselling author of *Falter* "An elegant reminder that activist victories are easily forgotten, and that they often come in extremely unexpected, roundabout ways." —The New Yorker

The 15 Invaluable Laws of Growth *Center Street*

In this inspiring guide to successful leadership, New York Times bestselling author John C. Maxwell shares his tried and true principles for maximum personal growth. Are there tried and true principles that are always certain to help a person grow? John Maxwell says the answer is yes. He has been passionate about personal development for over fifty years, and for the first time, he teaches everything he has gleaned about what it takes to reach our potential. In the way that only he can communicate, John teaches . . . The Law of the Mirror: You Must See Value in Yourself to Add Value to Yourself The Law of Awareness: You Must Know Yourself to Grow Yourself The Law of Modeling: It's Hard to Improve When You Have No One But Yourself to Follow The Law of the Rubber Band: Growth Stops When You Lose the Tension Between

Where You are and Where You Could Be The Law of Contribution: Developing Yourself Enables You to Develop Others This third book in John Maxwell's Laws series (following the 2-million seller *The 21 Irrefutable Laws of Leadership* and *The 17 Indisputable Laws of Teamwork*) will help you become a lifelong learner whose potential keeps increasing and never gets "used up."

Paper Towns *A&C Black*

Quentin Jacobson has spent a lifetime loving Margo Roth Spiegelman from afar. So when she cracks open a window and climbs into his life - dressed like a ninja and summoning him for an ingenious campaign of revenge - he follows. After their all-nighter ends, Q arrives at school to discover that Margo has disappeared.

The Conversation *Currency*

A FINANCIAL TIMES BEST BOOK OF THE YEAR • An essential tool for individuals, organizations, and communities of all sizes to jump-start dialogue on racism and bias and to transform well-intentioned statements on diversity into concrete actions—from a leading Harvard social psychologist. FINALIST FOR THE FINANCIAL TIMES AND MCKINSEY BUSINESS BOOK OF THE YEAR AWARD • LONGLISTED FOR THE PORCHLIGHT BUSINESS BOOK AWARD "Livingston has made the important and challenging task of addressing systemic racism within an organization approachable and achievable."—Alex Timm, co-founder and CEO, Root Insurance Company How can I become part of the solution? In the wake of the social unrest of 2020 and growing calls for racial justice, many business leaders and ordinary citizens are asking that very question. This book provides a compass for all those seeking to begin

the work of anti-racism. In *The Conversation*, Robert Livingston addresses three simple but profound questions: What is racism? Why should everyone be more concerned about it? What can we do to eradicate it? For some, the existence of systemic racism against Black people is hard to accept because it violates the notion that the world is fair and just. But the rigid racial hierarchy created by slavery did not collapse after it was abolished, nor did it end with the civil rights era. Whether it's the composition of a company's leadership team or the composition of one's neighborhood, these racial divides and disparities continue to show up in every facet of society. For Livingston, the difference between a solvable problem and a solved problem is knowledge, investment, and determination. And the goal of making organizations more diverse, equitable, and inclusive is within our capability. Livingston's lifework is showing people how to turn difficult conversations about race into productive instances of real change. For decades he has translated science into practice for numerous organizations, including Airbnb, Deloitte, Microsoft, Under Armour, L'Oreal, and JPMorgan Chase. In *The Conversation*, Livingston distills this knowledge and experience into an eye-opening immersion in the science of racism and bias. Drawing on examples from pop culture and his own life experience, Livingston, with clarity and wit, explores the root causes of racism, the factors that explain why some people care about it and others do not, and the most promising paths toward profound and sustainable progress, all while inviting readers to challenge their assumptions. Social change requires social exchange. Founded on principles of psychology,

sociology, management, and behavioral economics, *The Conversation* is a road map for uprooting entrenched biases and sharing candid, fact-based perspectives on race that will lead to increased awareness, empathy, and action.

Behavioral Ethics in Practice *Routledge*

This book is an accessible, research-based introduction to behavioral ethics. Often ethics education is incomplete because it ignores how and why people make moral decisions. But using exciting new research from fields such as behavioural psychology, cognitive science, and evolutionary biology, the study of behavioural ethics uncovers the common reasons why good people often screw up. Scientists have long studied the ways human beings make decisions, but only recently have researchers begun to focus specifically on ethical decision making. Unlike philosophy and religion, which aim to tell people how to think and act about various moral issues, behavioral ethics research reveals the factors that influence how people really make moral decisions. Most people get into ethical trouble for doing obviously wrong things. Aristotle cannot help, but learning about behavioral ethics can. By supplementing traditional approaches to teaching ethics with a clear, detailed, research-based introduction to behavioral ethics, beginners can quickly become familiar with the important elements of this new field. This book includes the bonus of being coordinated with *Ethics Unwrapped* – a free, online, educational resource featuring award-winning videos and teaching materials on a variety of behavioral ethics (and general ethics) topics. This book is a useful supplement for virtually every

ethics course, and important in any course where incorporating practical ethics in an engaging manner is paramount. The content applies to every discipline –business ethics, journalism, medicine, legal ethics, and others – because its chief subject is the nature of moral decision making. The book is also highly relevant to practitioners across all sectors.

The Great Spiritual Migration *Convergent Books*

The Christian story, from Genesis until now, is fundamentally about people on the move—outgrowing old, broken religious systems and embracing new, more redemptive ways of life. It's time to move again. Brian McLaren, a leading voice in contemporary religion, argues that— notwithstanding the dire headlines about the demise of faith and drop in church attendance—Christian faith is not dying. Rather, it is embarking on a once-in-an-era spiritual shift. For millions, the journey has already begun. Drawing from his work as global activist, pastor, and public theologian, McLaren challenges readers to stop worrying, waiting, and indulging in nostalgia, and instead, to embrace the powerful new understandings that are reshaping the church. In *The Great Spiritual Migration*, he explores three profound shifts that define the change: • Spiritually, growing numbers of Christians are moving away from defining themselves by lists of beliefs and toward a way of life defined by love • Theologically, believers are increasingly rejecting the image of God as a violent Supreme Being and embracing the image of God as the renewing Spirit at work in our world for the common good • Missionally, the faithful are identifying less with organized religion and more with

organizing religion—spiritual activists dedicated to healing the planet, building peace, overcoming poverty and injustice, and collaborating with other faiths to ensure a better future for all of us With his trademark brilliance and compassion, McLaren invites readers to seize the moment and set out on the most significant spiritual pilgrimage of our time: to help Christianity become more Christian.

Democracy May Not Exist, but We'll Miss It When It's Gone *Metropolitan Books*

What is democracy really? What do we mean when we use the term? And can it ever truly exist? Astra Taylor, hailed as a “New Civil Rights Leader” by the Los Angeles Times, provides surprising answers. There is no shortage of democracy, at least in name, and yet it is in crisis everywhere we look. From a cabal of plutocrats in the White House to gerrymandering and dark-money campaign contributions, it is clear that the principle of government by and for the people is not living up to its promise. The problems lie deeper than any one election cycle. As Astra Taylor demonstrates, real democracy—fully inclusive and completely egalitarian—has in fact never existed. In a tone that is both philosophical and anecdotal, weaving together history, theory, the stories of individuals, and interviews with such leading thinkers as Cornel West and Wendy Brown, Taylor invites us to reexamine the term. Is democracy a means or an end, a process or a set of desired outcomes? What if those outcomes, whatever they may be—peace, prosperity, equality, liberty, an engaged citizenry—can be achieved by non-democratic means? In what areas of life should democratic principles

apply? If democracy means rule by the people, what does it mean to rule and who counts as the people? Democracy's inherent paradoxes often go unnamed and unrecognized. Exploring such questions, *Democracy May Not Exist* offers a better understanding of what is possible, what we want, why democracy is so hard to realize, and why it is worth striving for.

We Make the Path by Walking

"Over the past year I have walked over 3,500 kilometres throughout Spain, Portugal and the south of France, with the aim of creating a body of work which explores the idea of walking as a form of meditation. My intention has been to create a series of quiet, meditative images, which would express the experience of being immersed in nature and capture the essence of what has

turned out to be quite a spiritual journey. I wanted my images to engage the viewer in this walk, and to communicate a sense of the subtle internal and psychological changes which one may undergo while negotiating the landscape."--In Toto Gallery website, <http://www.intotogallery.co.za/Artists.aspx?id=143>, viewed on December 3, 2013.

The Secret Message of Jesus Thomas Nelson

When Brian McLaren began offering an alternative vision of Christian faith and life in books such as *A New Kind of Christian* and *A Generous Orthodoxy*, he ignited a firestorm of praise and condemnation that continues to spread across the religious landscape. To some religious conservatives, McLaren is a dangerous rebel without a doctrinally-correct cause. Some fundamentalist websites have even claimed he's in league with the devil and have consigned him to flames. To others though, Brian is a fresh voice, a welcome antidote to the staleness, superficiality, and negativity of the religious status quo. A wide array of people from Evangelical, Catholic, and Mainline Protestant backgrounds claim that through his books they have begun to rediscover the faith they'd lost or rejected. And around the world, many readers say that he has helped them find-for the first time in their lives-a faith that makes sense and rings true. For many, he articulates the promise of what is being called "emerging Christianity." In *The Secret Message of Jesus* you'll find what's at the center of Brian's critique of conventional Christianity, and what's at the heart of his expanding vision. In the process, you'll meet a Jesus who may be altogether new to you, a Jesus who is... Not the crusading conqueror of religious

broadcasting; Not the religious mascot of partisan religion; Not heaven's ticket-checker, whose words have been commandeered by the church to include and exclude, judge and stigmatize, pacify and domesticate. McLaren invites you to discover afresh the transforming message of Jesus—an open invitation to radical change, an enlightening revelation that exposes sham and ignites hope, an epic story that is good news for everyone, whatever their gender, race, class, politics, or religion. "Pastor and best-selling author McLaren revisits the gospel material from a fresh-and at times radical-perspective . . . He does an excellent job of capturing Jesus' quiet, revolutionary style." --Publishers Weekly (starred review) "Here McLaren shares his own ferocious journey in pondering the teachings and actions of Jesus. It is McLaren's lack of salesmanship or agenda that creates a refreshing picture of the man from Galilee who changed history." --Donald Miller, Author of *Blue Like Jazz* "In this critical book, Brian challenges us to ask what it would mean to truly live the message of Jesus today, and thus to risk turning everything upside down." --Jim Wallis, Author of *God's Politics* and editor of *Sojourners* "Compelling, crucial and liberating: a book for those who seek to experience the blessed heat of Christianity at its source." --Anne Rice, Author of *Christ the Lord: Out of Egypt*

Education in Black and White *University of California Press*

How Myles Horton and the Highlander Folk School catalyzed social justice and democratic education For too long, the story of life-changing teacher and activist Myles Horton has escaped the public spotlight. An inspiring and humble leader whose work influenced the civil

rights movement, Horton helped thousands of marginalized people gain greater control over their lives. Born and raised in early twentieth-century Tennessee, Horton was appalled by the disrespect and discrimination that was heaped on poor people—both black and white—throughout Appalachia. He resolved to create a place that would be available to all, where regular people could talk, learn from one another, and get to the heart of issues of class and race, and right and wrong. And so in 1932, Horton cofounded the Highlander Folk School, smack in the middle of Tennessee. The first biography of Myles Horton in twenty-five years, *Education in Black and White* focuses on the educational theories and strategies he first developed at Highlander to serve the interests of the poor, the marginalized, and the oppressed. His personal vision keenly influenced everyone from Rosa Parks and Martin Luther King, Jr., to Eleanor Roosevelt and Congressman John Lewis. Stephen Preskill chronicles how Horton gained influence as an advocate for organized labor, an activist for civil rights, a supporter of Appalachian self-empowerment, an architect of an international popular-education network, and a champion for direct democracy, showing how the example Horton set remains education's best hope for today.

The Obstacle Is the Way *Penguin*

#1 Wall Street Journal Bestseller The *Obstacle is the Way* has become a cult classic, beloved by men and women around the world who apply its wisdom to become more successful at whatever they do. Its many fans include a former governor and movie star (Arnold Schwarzenegger), a hip hop icon (LL Cool J), an Irish tennis pro (James

McGee), an NBC sportscaster (Michele Tafoya), and the coaches and players of winning teams like the New England Patriots, Seattle Seahawks, Chicago Cubs, and University of Texas men's basketball team. The book draws its inspiration from stoicism, the ancient Greek philosophy of enduring pain or adversity with perseverance and resilience. Stoics focus on the things they can control, let go of everything else, and turn every new obstacle into an opportunity to get better, stronger, tougher. As Marcus Aurelius put it nearly 2000 years ago: "The impediment to action advances action. What stands in the way becomes the way." Ryan Holiday shows us how some of the most successful people in history—from John D. Rockefeller to Amelia Earhart to Ulysses S. Grant to Steve Jobs—have applied stoicism to overcome difficult or even impossible situations. Their embrace of these principles ultimately mattered more than their natural intelligence, talents, or luck. If you're feeling frustrated, demoralized, or stuck in a rut, this book can help you turn your

problems into your biggest advantages. And along the way it will inspire you with dozens of true stories of the greats from every age and era.

The Long Haul

Myles Horton traces the history of the Highlander Folk School, exploring how the school has influenced notable figures in the civil rights movement, including Rosa Parks, Martin Luther King, Jr., and Eleanor Roosevelt, and discusses how the school has served as a catalyst for social change.

Stupid Things I Won't Do When I Get Old *Citadel Press*

"In Stupid things I won't do when I get old, Petro candidly addresses the fears, frustrations, and stereotypes that accompany aging. He offers a blueprint for the new old age, and an understanding that aging and illness are not the same. As he writes, 'I meant the list as a pointed reminder--to me--to make different choices when I eventually cross the threshold to 'old'" -- Excerpt from jacket flap.
