Sign up. For 15 years, N.C. legislators, regulators and advocates have spent massive blood, sweat and tears to force high-cost lending out of our state and keep it out. We've seen the harm first-hand: During the four years that payday lending was legal and the six more years that these shady lenders continued to make loans illegally in our state, we saw the tremendous damage caused by these triple-digit loans and how hard it was for North Carolina families to escape the debt trap.

Debt-trap diplomacy is carried out in bilateral relations, with a powerful lending country seeking to saddle a borrowing nation with enormous debt so as to increase its leverage over it. Authored by Brahma Chellaney in early 2017, the concept of debt-trap diplomacy has grown into "something approaching conventional wisdom." The term has been widely used in recent years, including by world leaders. For example, US Vice President Mike Pence, in a famous 2018 speech, referred to the imperative to p
