Line editing involves editing a book sentence by sentence (or line by line) to upgrade the prose, always keeping craft in mind. A line edit ensures that your book's content is consistent while its language is creative and concise. Basically, line editing perfects your manuscript's clarity and style — hence why it's also known as "stylistic editing."

Line Editing: What Is It and How Can It Help Your Book?

A line editor is attentive to the writer's individual style (for that reason, the job is sometimes called stylistic editing) and approaches the manuscript as a careful reader. A line editor works line-by-line, tightening up sentence structure so the language is sharp and clear. They look closely at how a writer's word choice and syntax contributes to the tone or emotion of a piece of writing.
