Pollyanna has been adapted for film several times. Some of the best known are Disney's 1960 version starring child actress Hayley Mills, who won a special Oscar for the role, and the 1920 version

starring Mary Pickford. The book was such a success that Porter soon produced a sequel, Pollyanna Grows Up (1915).

POLLYANNA & Its Sequel, Pollyanna Grows Up on Apple Books

Pollyanna Grows Up is the second Pollyanna book, but the last one written by Eleanor Porter. It's a servicable read, but a lot of the charm of the first book is lost in this one. The plot is split in two parts. The first half of the book is still about young Pollyanna, not even a year after her accident and recovery in the first book.
