How To Hire The Right Property Manager

Real Estate Management Company Structures

A residential property management company is set up either by a group of owners who each own a part of one building or group of buildings (perhaps having exercised their right to buy the freehold), or by a developer who constructs or divides the building in the first place. The usual structure is that each unit owner (by unit, we mean a flat or a house) has a long lease of his or her property from the management company, which owns the freehold.

Managing Freehold Property Through A Company Structure

Portfolio Structure. As more properties were acquired for management by DeDe's Rentals, the company moved to a portfolio structure. This is a more professional structure, which means that each staff member or property manager is individually responsible for all aspects associated with one given property.
