Mysterious, intricate, pulsing with energy...The human body is an endlessly fascinating repository of secrets. The miracle of the skin, the strength and structure of the bones, the dynamic balance of the muscles . . . your physical being is knit according to a pattern of incredible purpose. In Fearfully and Wonderfully Made, renowned surgeon Dr. Paul Brand and best-selling writer Philip Yancey explore the human body.

Join them in a remarkable journey through inner space -- a spellbinding world of cells, systems, and chemistry that bears the impress of a still deeper, unseen reality. This Gold medallion Award-winning book uncovers eternal statements that God has made in the very structure of our bodies, presenting captivating insights into the Body of Christ.

Fearfully and Wonderfully

The Marvel of Bearing God's Image *InterVarsity Press*

The human body is a window into the very structure of God's creation and a testament to God's glory. Renowned leprosy surgeon Dr. Paul Brand and bestselling writer Philip Yancey offer a new audience timeless reflections on the body in this updated and combined edition of the award-winning books *Fearfully and Wonderfully Made* and *In His Image*.

In the Likeness of God *Zondervan*

The human body is a likeness of God, its design revealing insights into the church, the "body of Christ." For bestselling author Philip Yancey, the late Dr. Paul Brand—the brilliant hand surgeon who devoted his life to the poorest people of India and Louisiana—was also a likeness of God, living the kind of Christian life that exemplified what God must have had in mind. *In the Likeness of God* combines the complete texts of *Fearfully and Wonderfully Made* and *In His Image*—both Gold Medallion Award-winners which together have sold more than half a million copies—into one volume. Also included for the first time are eight beautiful litanies of praise on the human body by Dr. Brand. In *Fearfully and Wonderfully Made*, Dr. Paul

Brand and bestselling writer Philip Yancey explore the wonder of the human body and uncover the eternal statements that God has made in the very structure of our bodies. Their remarkable journey through inner space—the world of cells, systems, and chemistry—points to a still deeper unseen reality of God's work in our lives. *In His Image* takes up where the first book leaves off. In five sections—Image, Blood, Head, Spirit, and Pain—the authors unlock the remarkable living lessons contained in our physical makeup.

Fearfully and Wonderfully Made

Ethics and the Beginning of Human Life *InterVarsity Press*

What sort of contraception, if any, should I use? When does human life begin—at fertilisation or at some point after that? What are the arguments for and against abortion? Is it OK to use genetic screening and other pre-natal tests to check for abnormalities in my unborn baby? Should Christians use IVF and other assisted reproductive technologies? What is the current state of embryonic stem cell research? These are just some of the many complex and emotion-laden questions we face in the rapidly changing field of reproductive medicine, and most Christians do so with two very significant handicaps: We don't have accurate up-to-date information about the medical and technological issues involved; we have not thought through a sound, biblical framework for making ethical decisions in this area. Dr. Megan Best provides what is lacking in both of these vital areas. Built on extensive historical, biblical and medical research, **FEARFULLY AND WONDERFULLY MADE** is the

comprehensive, accurate, biblically-based ethical handbook that Christians have been waiting for.

Wonderfully Made

Discover the Identity, Love, and Worth You Were Created For *Moody Publishers*

Finding your true value and purpose begins with a simple but profound truth: you have been wonderfully made. Do you ever question your worth or wonder what on earth you're here for? The everyday pressures and struggles young women face and the feeling of not measuring up can be overwhelming. You might be left wondering: Is this all there is? A constant striving for self-acceptance and human approval? Or are you made for something more? Allie Marie Smith has walked the familiar road of self-doubt and depression. Like a companion on the journey, she wants you to join her in discovering a better life—the life you've been made for. God planned your days before you were born and He longs for you to discover the life He created you to live—here on earth and in eternity. This abundant life comes from knowing you are: Made for relationship with God Made to be loved Made to know your true identity Made to overcome Made to live free And so much more Wonderfully Made is designed to be read in 30 short chapters that help you discover your true purpose and significance. Don't believe the lie that you are defined by your struggles or that your worth comes from your achievements or looks. Your identity comes from God. No matter what the other voices might say, God declares that you are lovingly and wonderfully made and His eternal plan for you is good.

In His Image *Zondervan*

THE VOICE OF GOD IS A HEARTBEAT AWAY In *Fearfully & Wonderfully Made*, Philip Yancey and Dr. Paul Brand revealed how God's voice is encoded in the very structure of our bodies. In *His Image* takes up where its predecessor left off, beckoning us once again inward and onward to fresh exploration and discovery. Yancey and Brand show how accurately and intricately the human body portrays the Body of Christ. In five sections—Image, Blood, Head, Spirit, and Pain—the acclaimed surgeon and the award-winning writer unlock the remarkable, living lessons contained in

our physical makeup. This Gold Medallion Award-winning book will open your eyes to the complex miracle of the human body, and the even more compelling spiritual truths that it reflects.

Dayspring

Fearfully and Wonderfully Made *Createspace Independent Pub*

Sometimes God gives me ideas when I am in my bed. That's when He gave me the idea for this book. I wanted to write a book that would teach children that a developing baby in the womb is not just a piece of tissue but a human—created and formed in God's image. I wanted children to know that they were created special, even in their mother's womb (see Psalm 139:13b). The names Dayspring and Harah (pronounced haw-raw') are both from the Bible. Harah is a Hebrew word that means "to be or become pregnant, conceive." Dayspring is used in the New Testament (Luke 1:76-79) to describe Jesus as a light to a dark world. It means "the dawn." This story shows that even in the womb, babies are functional human beings and not simply a glob of tissue. To emphasize the fact that unborn babies are fully human from conception, I exaggerate certain aspects and actions of Dayspring. She talks and eats; she experiences feelings such as disgust, excitement, dizziness, and even smugness. Also, she is already developing her talent of gymnastics. Children who understand the value of life in a mother's womb will grow into adults who appreciate the lives of their own children. This, dear readers, is what I hope to accomplish with this book.

—Indya A Rennie

Body by Design

New Leaf Publishing Group

Body by Design defines the basic anatomy and physiology in each of 11 body systems from a creational viewpoint. Every chapter explores the wonder, beauty, and creation of the human body, giving evidence for creation, while exposing faulty evolutionistic reasoning. Special explorations into each body system look closely at disease aspects, current events, and discoveries, while profiling the classic and contemporary scientists and physicians who have made remarkable breakthrough in studies of the different areas of the human body. Body by Design is an ideal textbook for Christians high school or college students. It utilizes tables, graphs, focus sections, diagrams, and illustrations to provide clear examples and explanations of the ideas presented. Questions at the end of each chapter challenge the student to think through the evidence presented.

The Gift of Pain

Why We Hurt and What We Can Do About It *Zondervan*

Pain is not something that most of us would count as a blessing; however, renowned surgeon Dr. Paul Brand and award-winning writer Philip Yancey shed fresh light on the purpose of our pain. Wouldn't it be nice to never experience pain or never have to take drugs to deal with pain? Many people think so, but they're missing one key piece of information: Pain is the body's built-in warning system that something is wrong and needs to be fixed. Follow world-renowned physician and surgeon Dr. Paul Brand around the world as he shares his humble beginnings as the son of medical missionaries in India to his medical training in London during the Blitz to his groundbreaking medical research with leprosy patients in the United States and India. His work with leprosy patients is what convinced him that pain truly is one of God's great gifts to us. In these pages he shares what he's learned about pain, its purpose in our lives, the impact it has on our daily lives and overall health, and how we can better respond to it. Perfect for those in the medical field or those looking for a firsthand look into the mystery of pain, this book will give you a new perspective on the gift that none of us want and none of us can do without. You'll never look at pain the same way again. Spanish edition also available. Note: The

What God Has to Say about Our Bodies

How the Gospel Is Good News for Our Physical Selves *Crossway*

“God’s eternal plan for us involves our body. We can’t write off our physical life as spiritually irrelevant.” —Sam Allberry
There’s a danger in focusing too much on the body. There’s also a danger in not valuing it enough. In fact, the Bible has lots to say about the body. With the coming of Jesus, “The Word became flesh and dwelt among us”—flesh that was pierced and crushed for the sins of the world. In *What God Has to Say about Our Bodies*, Sam Allberry explains that all of us are fearfully and wonderfully made, and should regard our physicality as a gift. He offers biblical guidance for living, including understanding gender, sexuality, and identity; dealing with aging, illness, and death; and considering the physical future hope that we have in Christ. In this powerfully written book, you’ll gain a new understanding for the immeasurable value of our bodies and God’s ultimate plan to redeem them.

Wonderfully Made

A Protestant Theology of the Body *Lexham Press*

Why do we have bodies? When it comes

to thinking about our bodies, confusion reigns. In our secular age, there has been a loss of the body's goodness, purpose, and end. Many people, driven by shame and idolatry, abuse their body through self-harm or self-improvement. How can we renew our understanding and see our bodies the way God does? In *Wonderfully Made*, John Kleinig forms a properly biblical theology of our bodies. Through his keen sensitivity to Scripture's witness, Kleinig explains why bodies matter. While sin has corrupted our bodies and how we think of them, God's creation is still good. Thus, our bodies are good gifts. The Son took on a body to redeem our bodies. Kleinig addresses issues like shame, chastity, desire, gender dysphoria, and more, by integrating them into the biblical vision of creation. Readers of *Wonderfully Made* will not only be equipped to engage in current issues; they will gain a robust theology of the body and better appreciation of God's very good creation.

The Power of Self-worth

Stop Striving; Stop Comparing; You Are Fearfully and Wonderfully Made *Createspace Independent Publishing Platform*

You've heard that you matter. It has been said a thousand times. But... there's just one problem. You don't believe it. At least, not always. Be honest... you believe it in your mind, just like you believe that Paris is the capitol of France. But why isn't that enough to quench your heart's nagging need for validation? Why are criticisms so much easier to believe than compliments? Why do you feel like your worth fluctuates from day to day, ebbing and flowing with the amount of hard work you do/don't put in? Welcome to *The Power of Self-Worth* - the book that will help you rediscover what matters, and that what matters, is... you! Surprised? If so, then you will be challenged/awakened by this exploration into God's word and human value. Join us, if this describes the journey YOU are on!

Footprints in the Ash

The Explosive Story of Mount St. Helens

In the aftermath, amid the rivers of mud, blankets of ash, and eerie quiet, scientists made a startling discovery: nature was bringing life out of death, reclaiming from the destruction a teeming colony of plant and animal life. Most amazing of all, the geological upheavals had re-created the processes of old that had carved out such marvels as the Grand Canyon. Today, the site

stands as a testament to the power of God, who upholds all of creation. In His infinite wisdom, He has shown the modern science of geology that the earth is much, much younger than many suspected.
