group and containing an element of retention—the prolonged survival of tradition. Folk art is the creative expression of the human

Folk art | visual arts | Britannica

Characteristically folk art is not influenced by movements in academic or fine art circles, and, in many cases, folk art excludes works executed by professional artists and sold as “high art” or “fine art” to the society’s art patrons. [1] On the other hand, many 18th- and 19th-century American folk art painters made their living by their work, including itinerant portrait painters ...

Folk Art | Cultural Anthropology - Lumen Learning

Folk art covers all forms of visual art

made in the context of folk culture. Definitions vary, but generally the objects have practical utility of some kind, rather than being exclusively decorative. The makers of folk art are normally trained within a popular tradition, rather than in the fine art tradition of the culture. There is often overlap, or contested ground, with naive art, but in traditional societies where ethnographic art is still made, that term is normally used instead of “folk ar
