Ready or Not (2019 film) - Wikipedia
To read or not to read? That is the question, one that comes up during those middle school years when grades begin to take precedence over reading. I like to call this "the literary moment of truth." Most succumb to the illusion that reading, even for leisure, has become chore, a hunt for symbols and motifs.

To Read or Not To Read | HuffPost
This book gets 4 stars because of it's content and I highly recommend it. It's a rather short read at 143 pages long. (Contrary to what Goodreads.com says of it being 160 pages.) However, I found it a challenging book to read. Although it is only 6 chapters long, they were to me packed way too full and were not as succinct as they could have been.
