Graveyard Shift is where we meet Lana Harvey, a low level Reaper whose job is to collect the souls of the newly departed and take them to the Afterlife. An afterlife I had never considered. Every religion has it's afterlife, after all, so how do they co-exist? The answer is here (I won't give it away, as it is rather important to the plot!).

Lana Harvey is a reaper, and a lousy one at that. She resides in Limbo City, the modern capital of the collective afterlives, where she likes to stick it to the man (the legendary Grim Reaper himself) by harvesting the bare minimum of souls required of her. She'd much rather be hanging out with Gabriel, her favorite archangel, at Purgatory Lounge.

Lana Harvey, Reapers Inc. Series by Angela Roquet

"Graveyard Shift", Angela Roquet's first novel is a bubbly, breezy and light story about Lana, a reaper in Eternity. She is some kind of low class citizen in the city of Limbo where she is charged with taking souls to the after lives their beliefs support. The afterlife is quite a mess, but it would be terrible without the likes of Lana, as with more humans being born and dying, the traffic to the afterlife is always increasing.
